## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations correct errors in the Education (Grant-maintained and Grant-maintained Special Schools) (Finance) Regulations 1995.

Regulation 11(2)(a) of those Regulations, which prevents the amount determined in respect of certain schools under regulation 10, or under regulation 10 and regulation 13(8) or (9), from falling below an amount determined in accordance with that provision, is amended so as to provide for the determination of an alternative greater amount. The effect of regulation 11(2)(a) as amended is as follows. Where that regulation applies the amount to be included in the school's maintenance grant in place of the amount calculated under regulation 10, or under that regulation and regulation 13(8) or (9), is either an amount equal to 80.01% of the grant which was determined in respect of the school for the financial year beginning on 1st April 1993 under the relevant provisions of the Education (Grant-maintained Schools) (Finance) Regulations 1993 or (as a result of these amending Regulations), if greater, an amount equal to 88.9% of the amount which was determined in respect of the school for the financial year beginning on 1st April 1994 under the relevant provisions of the Education (Grant-maintained Schools) (Finance) Regulations 1994.

In paragraph 4 of Part V of Schedule 4 to those Regulations (division of the adjusted secondary schools total for the London Borough of Hillingdon), the number of registered pupils in question should be the number on 15th September 1994 and not that on 15th September 1995.

Schedule 5 to those Regulations omitted entries in respect of Essex, Kent, Lincolnshire and Wiltshire County Councils, the London Boroughs of Brent, Ealing, Lambeth and Sutton and the Royal Borough of Kingston upon Thames. The new Schedule 5 as substituted by these Regulations contains those missing entries.
