EXPLANATORY NOTE

(This note is not part of the Regulations)

These regulations, which apply to England only, make provision under Part I of the Local Government Act 1988 (“the Act”) in respect of the defined activity of information technology services.

Regulation 2 applies section 6 of the Act to a specified proportion of this activity from the dates specified in that regulation, so that defined authorities are required to compete for such work if they wish to carry it out themselves.
