EXPLANATORY NOTE

(This note is not part of the Regulations)

Under Part II of Schedule 8 to the Local Government Finance Act 1988, billing authorities are required to pay amounts (called non-domestic rating contributions) to the Secretary of State. Payments in respect of a provisional amount of the contributions are made during the financial year, final calculations and any adjustments of payments being made after the year ends.

These Regulations amend for 1996 the rules for calculation of contributions contained in the Non-Domestic Rating Contributions (England) Regulations 1992. They alter certain figures used in the calculation of contributions and provisional amounts and make provision, for the purpose of calculating provisional amounts, in relation to areas ceasing to be enterprise zones during the year.
