

SCHEDULE 1

Regulation 6(2)

NAMES PRESCRIBED BY LAW

Fish

1.—(1) Subject to subparagraphs (2) and (3) of this paragraph, the name used for any species of fish specified in column 2 of the following Table shall be a name specified for that species in the corresponding entry in column 1 of the said Table.

(2) A customary name may be used for any species of fish which has been subjected to smoking or any similar process, unless the name of the species in column 2 of the following Table is followed by an asterisk. In such cases the name used for the food when the fish is smoked shall be either—

- (a) a name specified for that species in column 1 of the said Table preceded by the word ‘smoked’, or
- (b) except in the case of *Salmo salar* (L.), ‘smoked Pacific salmon’.

(3) Subparagraph (1) of this paragraph, as read with the following Table, shall not apply to fish regulated by Council Regulation (EEC) No. 2136/89(1) laying down common marketing standards for preserved sardines, or Council Regulation (EEC) No. 1536/92(2) laying down common marketing standards for preserved tuna and bonito.
