

## SCHEDULE 6

### (Annex III of the ATEX Directive) MODULE EC-TYPE EXAMINATION

#### 4. The notified body shall:

(4.1) examine the technical documentation, verify that the type has been manufactured in conformity with the technical documentation and identify the elements which have been designed in accordance with the relevant provisions of the standards referred to in Article 5, as well as the components which have been designed without applying the relevant provisions of those standards;

(4.2) perform or have performed the appropriate examinations and necessary tests to check whether the solutions adopted by the manufacturer meet the essential requirements of the Directive where the standards referred to in Article 5 have not been applied;

(4.3) perform or have performed the appropriate examinations and necessary tests to check whether these have actually been applied, where the manufacturer has chosen to apply the relevant standards;

(4.4) agree with the applicant the location where the examinations and necessary tests shall be carried out.
