APPEALS TO SPECIAL ADJUDICATORS

Application of Part II

4. This Part applies to asylum appeals to a special adjudicator.
Notice of appeal

5.—(1) Subject to paragraph (2), a person making an asylum appeal ("the appellant") shall give notice of appeal not later than 7 days after receiving notice of the decision against which he is appealing.

(2) The time limit for giving notice of appeal shall be 2 days in a case where the following conditions are satisfied:

(a) the appeal is made under section 8(1) of the 1993 Act (where the appellant was refused leave to enter the United Kingdom); and
(b) the appeal relates to a certified claim; and
(c) the appellant is in custody in the United Kingdom, and
(d) there has been personal service on the appellant of the notice of the decision against which he is appealing.

(3) Subject to paragraphs (4) and (5), notice of appeal shall be given by serving —

(a) on an immigration officer, in the case of an appeal under section 8(1) or (4) of the 1993 Act; and

(b) upon the Secretary of State, in the case of an appeal under section 8(2) or (3) of the 1993 Act,

(i) signed by the appellant or his representative; and

(ii) accompanied by the notice (or a copy of the notice) informing the appellant of the decision against which he is appealing and the reasons for the decision.

(4) In any case where an appellant is in custody, service under paragraph (3) may be upon the person having custody of him.

(5) In any case where an appellant appeals under section 3 of the 1996 Act from outside the United Kingdom this rule shall apply to the appeal subject to the following modifications:

(a) paragraph (1) shall have effect as if, for the words from "7 days after" to the end, there were substituted "28 days after the departure of the ship, aircraft, through train or shuttle train in which the appellant left the United Kingdom.";

(b) paragraph (3) shall have effect as if, for "Form A1", there were substituted "Form A1(TC)".

(6) Where any notice of appeal is not given within the appropriate time limit, it shall nevertheless be treated for all purposes as having been given within that time limit if the person to whom it was given in accordance with this rule is of the opinion that, by reason of special circumstances, it is just and right for the notice to be so treated.

(7) Upon receipt of the notice of appeal (whether or not the notice was given within the time limit), the immigration officer or (as the case may be) the Secretary of State shall send to the United Kingdom Representative of the United Nations High Commissioner for Refugees the documents specified in paragraph (3).

(8) Within 42 days of receipt of the notice of appeal (whether or not the notice was given within the time limit), the immigration officer or (as the case may be) the Secretary of State shall send to a special adjudicator and the appellant —

(a) the documents specified in paragraph (3);

(b) the original or copies of any notes of interview; and

(c) the original or copies of any other document (except statutory materials) referred to in the decision being appealed,
and, in a case where the time limit specified above has not been complied with, the Secretary of State shall notify the appellant and the special adjudicator why it has not been complied with.

(9) In this Rule “statutory materials” means any enactment or any provision made under an enactment, a convention or other provisions of a similar nature which are publicly available.

**Notification of hearing**

6. Notice of the date, time and place fixed for the hearing of the appeal shall not later than 5 days after the receipt of the documents specified in rule 5(8) be served on —

(a) the appellant,
(b) the immigration officer or (as the case may be) the Secretary of State, and
(c) (if he has given notice in accordance with rule 8(2)) the United Kingdom Representative of the United Nations High Commissioner for Refugees.

**Variation of notice of appeal**

7. The grounds of the appeal may, with the leave of the special adjudicator, be varied by the appellant.

**Parties**

8.—(1) The parties to an appeal shall be the appellant and the Secretary of State.

(2) If the United Kingdom Representative of the United Nations High Commissioner for Refugees gives written notice to the special adjudicator at any time during the course of an appeal that he wishes to be treated as a party to the appeal, he shall be so treated from the date of the notice.

**Deciding the appeal**

9.—(1) Unless the time limit is extended under rule 41, a special adjudicator shall decide an appeal not later than 42 days after receiving the documents specified in rule 5(8).

(2) The period specified in paragraph (1) shall be 10 days in a case where the appeal relates to a certified claim, except a certified claim in which the appellant appeals under section 3 of the 1996 Act from outside the United Kingdom.

(3) Where an appeal is remitted to a special adjudicator by the Tribunal pursuant to rule 17(2) or after an application for judicial review, the special adjudicator shall decide the appeal within 42 days of receipt of the Tribunal’s determination or, as the case may be, of the appropriate court order.

In this paragraph “appropriate court order” means the order made on the application for judicial review or the order made on any appeal against that order.

(4) Except where an appeal is determined without a hearing in accordance with rule 35 or summarily in accordance with rule 36, a hearing shall be held to decide an appeal.

**Adjournment of hearings**

10.—(1) Subject to rule 9(1) or (2), a special adjudicator shall not adjourn a hearing unless he is satisfied that an adjournment is necessary for the just disposal of the appeal.

(2) When considering whether an adjournment is necessary, a special adjudicator shall have particular regard to the need to secure the just, timely and effective conduct of the proceedings.

(3) Where a hearing is adjourned, the special adjudicator shall —

(a) consider whether further directions should be given under rule 23,
(b) give notice either orally or in writing to every party to the proceedings of the time and place of the adjourned hearing.

**Promulgation of determination and reasons**

11.—(1) The special adjudicator shall wherever practicable pronounce his decision at the conclusion of the hearing and he shall not later than 10 days after the conclusion of the hearing send to every party to the appeal written notice of the determination.

(2) In an appeal which relates to a certified claim, the special adjudicator shall, if he agrees that the Secretary of State was right to certify the claim, pronounce his decision at the conclusion of the hearing and he shall not later than 5 days after the conclusion of the hearing send to every party to the appeal written notice of the determination.

(3) No notice sent under this rule shall be considered to be invalid by reason only of the failure to comply with any time limit prescribed.

**PART III**

**APPEALS TO TRIBUNAL FROM SPECIAL ADJUDICATOR**

**Application of Part III**

12. This Part applies to appeals to the Tribunal from the determination of a special adjudicator.

**Leave to appeal**

13.—(1) An appeal may be brought only with the leave of the Tribunal.

(2) An application for leave shall be made not later than 5 days after the person making it ("the appellant") has received notice of the determination against which he wishes to appeal.

(3) An application for leave shall be made by serving upon the Tribunal Form A2 which shall be —

(i) signed by the appellant or his representative; and

(ii) accompanied by the original or a copy of the special adjudicator’s determination together with all the grounds relied on.

(4) An application for leave shall be decided not later than 10 days after its receipt by the Tribunal.

(5) Where the Tribunal fails to decide any application for leave under this rule within the time prescribed, the application shall be deemed to have been granted.

(6) An application for leave shall be decided without a hearing unless the Tribunal considers that there are special circumstances which make a hearing necessary or desirable.

(7) When an application for leave has been decided, the Tribunal shall forthwith send to the parties to the appeal a notice recording its decision on the application for leave and, where leave to appeal is refused, the reasons for the refusal.

**Notice of appeal**

14.—(1) The application for leave to appeal shall be deemed to be the appellant’s notice of appeal and may (as such a notice of appeal) be varied by the appellant with the leave of the Tribunal.

(2) The Tribunal shall not later than 5 days after leave to appeal has been granted serve on the parties to the appeal notice of the date, time and place fixed for the hearing.
Parties

15.—(1) The parties to an appeal shall be the persons who were the parties to the appeal before the special adjudicator.

(2) Where he would not otherwise be a party by virtue of paragraph (1), the United Kingdom Representative of the United Nations High Commissioner for Refugees shall be treated as a party to an appeal if he gives written notice to the Tribunal at any time during the course of an appeal that he wishes to be so treated.

Time within which appeal is to be decided

16. Unless the time limit is extended under rule 41, every appeal under this Part shall be decided not later than 42 days after the date of service on the Tribunal of the appellant’s notice of appeal.

Deciding an appeal

17.—(1) Except where an appeal is determined without a hearing in accordance with rule 35 or summarily in accordance with rule 36, a hearing shall be held to decide an appeal.

(2) Unless it considers —

(a) that it is necessary in the interests of justice, and

(b) that it would save time and avoid expense

to remit the case to the same or another special adjudicator for determination by him in accordance with any directions given to him by the Tribunal, the Tribunal shall determine the appeal itself.

Adjournment of hearings

18.—(1) Subject to rule 16, the Tribunal shall not adjourn a hearing unless it is satisfied that an adjournment is necessary for the just disposal of the appeal.

(2) When considering whether an adjournment is necessary, the Tribunal shall have particular regard to the need to secure the just, timely and effective conduct of the proceedings.

(3) Where a hearing is adjourned, the Tribunal shall —

(a) consider whether further directions should be given under rule 23, and

(b) give notice either orally or in writing to every party to the proceedings of the time and place of the adjourned hearing.

Promulgation of determination and reasons

19. The Tribunal shall record the decision on any appeal, and the reasons for it, and shall send to every party to the appeal, not later than 10 days after the conclusion of the hearing, written notice of the determination.

PART IV

21.—(1) An application to the Tribunal for leave to appeal shall be made not later than 10 days after the party seeking to appeal has received written notice of the determination.

(2) An application for leave shall be made by serving upon the Tribunal a notice of application for leave to appeal in Form A3 and the form shall be signed by the appellant or his representative.

(3) An application may be decided by the President or by a chairman of the Tribunal acting alone.

(4) The Tribunal shall decide the application without a hearing unless it considers that there are special circumstances which make a hearing necessary or desirable.

(5) The Tribunal shall decide the application, and shall send to the parties to the proceedings written notice of the decision and the reasons for it, not later than 10 days after the Tribunal has received the application.

Failure to comply with directions

24.—(1) Subject to paragraph (2), where a party fails to comply with a direction given under rule 23 the appellate authority may —

(a) treat that party as having abandoned the appeal or, as the case may be, treat the decision appealed against as having been withdrawn, or
(b) proceed with the appeal; or
(c) determine the appeal without a hearing under rule 35.

(2) Where the appellate authority is satisfied that the party in default was prevented by circumstances beyond his control from complying with the direction given under rule 23, additional directions may be given under that rule.

Bail

25.—(1) An application by an appellant to be released on bail if made to —

(a) an immigration officer or police officer, shall be made orally; or

(a) in the case of the appellant, by counsel or a solicitor, a person appointed in that behalf by any voluntary organisation for the time being in receipt of a grant under section 23 of the 1971 Act or, with the leave of the appellate authority, by any other person appearing to the authority to be acting on behalf of the appellant;
(b) in the case of the Secretary of State or any officer of his, by counsel or a solicitor or any officer of the Secretary of State;

Evidence

27.—(1) In any proceedings on an appeal the Tribunal may receive as evidence the summary made in accordance with rule 43 of any evidence received —

(a) by the special adjudicator in the course of the proceedings to which the appeal relates, or

(b) by a special adjudicator to whom the appeal has been remitted in pursuance of paragraph (3)(c)(i) below.

(2) If any party to the appeal wishes to adduce evidence before the Tribunal further to that to be received in accordance with paragraph (1) above, he shall give notice in writing to that effect to the Tribunal indicating the nature of the evidence; and any such notice shall be given —

(a) in the case of the appellant, with the notice of appeal or as soon as practicable after notice of appeal is given or is deemed to have been given;

(b) in the case of any other party, as soon as practicable after he has been notified of the appeal.

(3) In any proceedings on an appeal —

(a) the Tribunal may, in its discretion, receive or decline to receive further evidence of which notice has been given in accordance with paragraph (2);

(b) if, to enable it to arrive at a proper determination of the appeal, the Tribunal requests the furnishing of further evidence relating to specified matters, it shall receive such further evidence;

(c) where such further evidence as is mentioned in sub-paragraph (a) or (b) falls to be received it shall be given, as the Tribunal may direct, either —

(i) orally, in which case the Tribunal may take the further evidence itself or remit the appeal to the same or another adjudicator for the taking of that evidence, or

(ii) in writing, in which case it shall be given in such manner and at such time as the Tribunal may require.

Summoning of witnesses

28.—(1) Subject to paragraph (2), the appellate authority may, for the purposes of any appeal, by summons in Form A6 require any person in the United Kingdom to attend as a witness at a hearing of the appeal at such time and place as may be specified in the form and, subject to the provisions of rule 29(2), at the hearing to answer any questions or produce any documents in his custody or under his control which relate to any matter in question in the appeal.

(2) No person shall be required, in obedience to such a summons, to travel more than 16 kilometres from his place of residence unless the necessary expenses of his attendance are paid or tendered to him, and when the summons is issued at the request of a party to the appeal, those expenses are so paid or tendered by that party.
Mode of giving evidence

29.—(1) The appellate authority may receive oral, documentary or other evidence of any fact which appears to the authority to be relevant to the appeal notwithstanding that such evidence would be inadmissible in a court of law.

(2) In any proceedings before the appellate authority, no person shall be compelled to give any evidence or produce any document which he could not be compelled to give or produce on the trial of an action in that part of the United Kingdom in which the proceedings are conducted.

(3) The appellate authority may require any witness to give evidence on oath or affirmation, and for that purpose an oath or affirmation in due form may be administered.

Inspection of documentary evidence

30.—(1) Subject to paragraph (2) below, when the appellate authority takes into consideration documentary evidence, every party to the appeal shall be given an opportunity of inspecting that evidence and taking copies if copies have not been provided pursuant to rule 23.

(2) Where on an appeal it is alleged that —

(a) a passport or other travel document, certificate of entitlement, entry clearance or work permit (or any part thereof or entry therein) on which a party relies is a forgery, and

(b) the disclosure to that party of any matters relating to the method of detection would be contrary to the public interest,

then, if supply of a document to that party would involve such disclosure, that document shall not be supplied to, or made available for inspection by, that party.

Burden of proof

31.—(1) If in any proceedings before the appellate authority a party asserts that a decision or action taken against him under any statutory provision ought not to have been taken on the grounds that he is not a person to whom the provision applies, it shall lie on him to prove that he is not such a person.

(2) If in any proceedings before the appellate authority a party asserts any fact of such a kind that, if the assertion were made to the Secretary of State or any officer for the purposes of any statutory provisions or any immigration rules, it would by virtue of those provisions or rules be for him to satisfy the Secretary of State or officer of the truth thereof, it shall lie on that party to prove that the assertion is true.

(3) In this rule “statutory provision” means any provision contained in

(a) the 1971 Act, the 1993 Act or the 1996 Act, or

(b) any instrument made under those Acts,

and, in paragraph (2), “immigration rules” means the rules for the time being laid down as mentioned in section 3(2) of the 1971 Act.

Exclusion of public

32.—(1) Subject to the provisions of this rule, any hearing by the appellate authority shall take place in public.

(2) Subject to the provisions of paragraph (4), where in accordance with section 22(4) of the 1971 Act (cases involving forgery of documents) the appellate authority is required to arrange for the proceedings to take place in the absence of a party and his representatives, all members of the public shall be excluded from those proceedings.
(3) Subject to the provisions of paragraph (4), the appellate authority may exclude any member of the public or members of the public generally from any hearing or from any part of such a hearing —

(a) at the request of a party;
(b) where, in the opinion of the authority, a member of the public is behaving in a manner likely to interfere with the proper conduct of the proceedings and, to prevent such interference, that member or members of the public generally should be excluded; or
(c) where, in the opinion of the authority, such evidence relating to a person other than a party is likely to be given as, subject to the interests of the parties, should not be given in public and no party requests that it be given in public.

(4) Nothing in this rule shall prevent a member of the Council on Tribunals or of its Scottish Committee from attending a hearing in his capacity as such.

Hearing of appeal in absence of appellant or other party

33.—(1) The appellate authority may, where in the circumstances of the case it appears proper so to do, hear an appeal in the absence of the appellant if satisfied that —

(a) he is not in the United Kingdom;
(b) he is suffering from a communicable disease or from a mental disorder;
(c) by reason of illness or accident he cannot attend the hearing; or
(d) it is impracticable to give him notice of the hearing and that no person is authorised to represent him at the hearing.

(2) Without prejudice to paragraph (1) but subject to paragraph (3), the appellate authority may proceed with the hearing of an appeal in the absence of a party (including the appellant) if satisfied that, in the case of that party, such notice of the time and place of the hearing, or of the adjourned hearing, as is required by rules 14(2) and 18(3) or, in the case of a hearing before a special adjudicator, by rule 6 and rule 10(3), has been given.

(3) The appellate authority shall proceed with the hearing in pursuance of paragraph (2) if the absent party has not furnished the authority with a satisfactory explanation of his absence.

(4) Where in pursuance of this rule the appellate authority hears an appeal or proceeds with a hearing in the absence of the appellant or some other party, it may determine the appeal on such evidence as has been received.

(5) For the purposes of this rule a reference to a party (including an appellant) includes a reference to his representative.

Combined hearings

34. Where in the case of two or more appeals it appears to the appellate authority that —

(a) some common question of law or fact arises in both or all of them; or
(b) they relate to decisions or action taken in respect of persons who are members of the same family; or
(c) for some other reason it is desirable to proceed with the appeals under this rule,

the authority may, after giving all the parties an opportunity of being heard, decide that the appeals should be heard together.

Determination without hearing

35.—(1) An appeal may be determined without a hearing under this rule if —
(a) the special adjudicator has decided, after giving every other party to the appeal an opportunity of replying to any representations submitted in writing by or on behalf of the appellant, to allow the appeal; or

(b) the special adjudicator is satisfied that the appellant is outside the United Kingdom or that it is impracticable to give him notice of a hearing and, in either case, that no person is authorised to represent him at a hearing; or

(c) a preliminary issue has arisen and, the appellant having been afforded a reasonable opportunity to submit a written statement rebutting the respondent’s allegation —
   (i) the appellant has not submitted such a statement, or
   (ii) the special adjudicator is of the opinion that matters put forward by the appellant in such a statement do not warrant a hearing; or

(d) the parties agree in writing upon the terms of a determination, or

(e) the special adjudicator is satisfied, having regard to —
   (i) the material before him;
   (ii) the nature of the issues raised; and
   (iii) the extent to which any directions given under rule 23 have been complied with, that the appeal could be so disposed of justly.

(2) Paragraph (1) shall apply with the necessary modifications to hearings before the Tribunal.

(3) Where an appeal is determined under paragraph (1)(e), written notice of the determination shall be made available for public inspection.

(4) This paragraph applies where —

(a) the decision appealed against has been withdrawn or reversed by the respondent, and the special adjudicator is satisfied that written notice of the withdrawal or reversal has been given to the appellant by the respondent; or

(b) the special adjudicator is satisfied, having regard to the material before him or to the conduct of the appellant or his failure to appear or otherwise to prosecute the appeal, that the appeal has been abandoned; or

(c) the special adjudicator is satisfied, having regard to the material before him or to the conduct of any party, that the decision appealed against has been withdrawn.

(5) Where the appellate authority is satisfied that —

(a) the appellant was notified of the hearing date, and

(b) the provisions of paragraph (4) apply to the appeal,

it shall send to the parties written notice that paragraph (4) applies (specifying the sub-paragraph which is appropriate) and it shall not be necessary to hold a hearing in order to determine the appeal or to issue a written notice of determination.

Summary determination of appeals

36.—(1) Subject to paragraph (2), where it appears to the appellate authority that the issues raised on an appeal have been determined —

(a) in the case of an appeal before a special adjudicator, by the same or another adjudicator or by the Tribunal, or

(b) in the case of an appeal before the Tribunal, by the Tribunal,
under Part II of the 1971 Act, under the 1993 Act or under the 1996 Act in previous proceedings to which the appellant was a party, on the basis of facts which did not materially differ from those to which the appeal relates, the authority may determine the appeal summarily without a hearing.

(2) Before the appellate authority determines an appeal summarily in accordance with paragraph (1), it shall give the parties an opportunity of making representations to the effect that the appeal ought not to be so determined.

(3) Where an appeal is determined summarily in accordance with paragraph (1), the appellate authority shall send to the parties written notice that the appeal has been so determined, and any such notice shall

(a) contain a statement of the issues raised on the appeal and

(b) specify the previous proceedings in which those issues were determined

and the provisions of rule 2(3)(b) shall not apply to such a notice.

Performance of functions of Tribunal

37. The following functions may be performed by the President of the Tribunal or a chairman acting alone:

(a) any function conferred on the Tribunal by Part II of Schedule 2 to the 1971 Act;

(b) any function conferred on the Tribunal relating to applications for leave to appeal; or

(c) any function conferred on the Tribunal of —

(i) extending time limits under rule 41;

(ii) remitting an appeal to an adjudicator pursuant to rule 17(2); or

(iii) requiring the attendance of witnesses at the hearing of an appeal.

Notices etc

38.—(1) Any notice or other document required or authorised by these Rules to be sent or given to any person or authority may be sent by post or FAX or delivered, in the case of a document directed to —

(a) the Tribunal, to the secretary of the Tribunal;

(b) a special adjudicator, to any person employed as his clerk;

(c) the Secretary of State, to the Appeals Support Section of the Asylum Division in the Home Office;

and, if sent or given to a person representing a party to an appeal in accordance with rule 26(1), shall be deemed to have been sent or given to that party.

(2) A party to an appeal shall inform the appellate authority of the address at which documents may be served on him ("his address for service") and, until he gives notice to the authority that his address for service has changed, any document served at that address shall be deemed to have been served on him.

Mixed appeals

39.—(1) This rule applies in any case where a person ("the appellant") is appealing to the appellate authority in relation to any of the grounds mentioned in subsections (1) to (4) of section 8 of the 1993 Act ("section 8 appeal") and is also appealing to the authority in relation to other grounds under Part II of the 1971 Act ("1971 Act appeal").

(2) Where the appellant lodges his 1971 Act appeal before his section 8 appeal has been determined by the authority, the authority shall deal with both appeals in the same proceedings.
(3) Where the appellant lodges his section 8 appeal before his 1971 Act appeal has been determined by the authority, the authority dealing with his section 8 appeal shall deal with both appeals in the same proceedings.

(4) These Rules (so far as they relate to appeals to the authority) shall apply to the 1971 Act appeal as if that appeal had been a section 8 appeal and shall continue so to apply even if the section 8 appeal is determined before the 1971 Act appeal.

(5) Nothing in paragraph (4) shall —
   
   (a) prejudice any steps taken under the 1984 Rules before the appellant lodged the section 8 appeal; or
   
   (b) require any step to be taken under these Rules which is analogous to a step already taken under the 1984 Rules.

(6) The authority may adjourn a section 8 appeal or a 1971 Act appeal so far as is necessary or expedient for complying with a requirement in this rule to deal with both appeals in the same proceedings.

(7) For the purposes of this rule, a person shall be taken to be appealing if he has given a notice of appeal in accordance with these Rules (in the case of a section 8 appeal) or in accordance with the 1984 Rules (in the case of a 1971 Act appeal) and, in either case, the appeal has not yet been determined.

**Transfer of proceedings**

40.—(1) Where any proceedings before a special adjudicator have not been disposed of by him and the chief adjudicator, or any person for the time being carrying out the functions of the chief adjudicator, is of the opinion that —

   (a) it is not practicable without undue delay for the proceedings to be completed by that adjudicator, or

   (b) for some other good reason the proceedings should not be completed by that adjudicator, he shall make arrangements for them to be dealt with by another special adjudicator.

(2) Where any proceedings are transferred to another special adjudicator in accordance with paragraph (1) —

   (a) any notice or other document which is sent or given to or by the special adjudicator from whom the proceedings were transferred shall be deemed to have been sent or given to or by the first-mentioned adjudicator; and

   (b) any special adjudicator to whom an appeal is transferred shall have power to deal with it as if it had been commenced before him.

**Extension of time limit**

41.—(1) Where under these Rules the appellate authority is required to decide or determine an appeal or to provide written notice of the determination at or within a time prescribed, the authority may if necessary extend the time so prescribed either to enable it fairly to make the decision or determination or (as the case may be) to provide the notice.

(2) A special adjudicator shall not extend the time limit for giving notice of appeal except where it is in the interests of justice and he is satisfied that the party in default was prevented from complying with the time limit by circumstances beyond his control.

(3) An extension may be made notwithstanding that the time limit in any case has already expired.
Time

42.—(1) Subject to paragraph (2), any notice or other document that is sent or served under these Rules shall be deemed to have been received —

(a) where the notice or other document is sent by post from within the United Kingdom, on the second day after which it was sent regardless of when or whether it was received;

(b) where the notice or other document is sent by post from outside the United Kingdom, on the fifteenth day after which it was sent regardless of when or whether it was received; and

(c) in any other case, on the day on which the notice or other document was served.

(2) Where under these Rules a notice or other document is sent by post to the appellate authority, it shall be deemed to have been received on the day on which it was in fact received by the authority.

(3) For the purposes of these Rules, a notice or other document is received by the authority when it is received by any person employed as a clerk to the authority.

(4) Where under these Rules, an act is to be done not later than a specified period after any event, the period shall be calculated from the expiry of the day on which the event occurred.

(5) Where the time provided by these Rules by which any act must be done expires on a Saturday, Sunday or a bank holiday, Christmas Day or Good Friday, the act shall be done in time if done on the next working day.

(6) Where, apart from this paragraph, the period in question being a period of 10 days or less would include a Saturday, Sunday or bank holiday, Christmas Day or Good Friday, that day shall be excluded.

(7) In this rule, “bank holiday” means a day that is specified in, or appointed under, the Banking and Financial Dealings Act 1971(8) as a bank holiday.

Record of proceedings

43. A summary of the proceedings before the appellate authority shall be made.

Irregularities

44. Any irregularity resulting from failure to comply with these Rules before the appellate authority has reached a decision shall not by itself render the proceedings void, but the authority shall, if it considers that any person may have been prejudiced, take such steps as it thinks fit before reaching a decision to cure the irregularity, whether by amendment of any document, the giving of any notice or otherwise.

Correction of accidental errors

45.—(1) Clerical mistakes in any determination or notice of determination, or errors arising therein from any accidental slip or omission, may at any time be corrected and any correction made to, or to a record of, a determination shall be deemed to be part of that determination or record and written notice of it shall be given as soon as practicable to every party to the proceedings.

(2) The Tribunal may after consulting the special adjudicator concerned correct errors in a determination given by a special adjudicator and any correction made to, or to a record of, a determination shall be deemed to be part of that determination or record and written notice of it shall be given as soon as practicable to every party to the proceedings and to the special adjudicator.

EXPLANATORY NOTE

(This note is not part of the Rules)

These Rules provide the procedure to be followed in deciding appeals to special adjudicators arising from claims for asylum, appeals from special adjudicators to the Immigration Appeal Tribunal and applications for leave to appeal from decisions of that Tribunal. They replace the Asylum Appeals (Procedure) Rules 1993, and give effect to the provisions of the Asylum and Immigration Act 1996. Other changes are designed to promote the just, timely and effective conduct of proceedings by:

(a) specifying the matters to be included in a written determination (rule 2(3));
(b) specifying conditions for the grant of adjournments (rules 10, 18);
(c) providing that the Tribunal should decide appeals itself unless there are special grounds for remitting them to special adjudicators (rule 17(2));
(d) giving special adjudicators and the Tribunal power to make directions governing the future conduct of an appeal (rule 23).
