## EXPLANATORY NOTE

*(This note is not part of the Order)*

This Order varies the Fishing Boats (European Economic Community) Designation Order 1983 which designates member States and the areas within British fishery limits within which, and descriptions of sea fish for which, fishing boats registered in each member State may fish, for the purposes of section 2(1) of the Fishery Limits Act 1976. The Order adds Austria, Finland and Sweden to the list of designated member States, pursuant to the accession of those countries to membership of the European community, and specifies the areas and descriptions of sea fish which are designated in relation to those countries.
