
STATUTORY INSTRUMENTS

1996 No. 28

**The Sheep and Goats (Records,
Identification and Movement) Order 1996**

Removal of identification marks

- 11.** Except under the authority of a veterinary inspector, no person shall—
- (a) remove from an animal an identification mark which has been applied or attached under this Order other than a mark applied under article 10(2)(b) above; or
 - (b) replace an identification mark applied or attached to an animal in accordance with those provisions otherwise than in replacement of one which has become illegible or which has been lost.
