**The Sheep and Goats (Records,
Identification and Movement) Order 1996**

Construction of ear tags

12. No person shall attach an eartag to an animal for the purposes of marking it in compliance with this Order unless the eartag is constructed in such a way that—

- (a) it does not interfere with the well-being of the animal;
- (b) any alteration to it can be readily detected; and
- (c) it cannot be re-used.
