EXPLANATORY NOTE

(This note is not part of the Order)

This Order further amends the Medicines (Veterinary Drugs) (Pharmacy and Merchants' List) Order 1992 so as to alter the fees payable on registration, retention of registration and restoration of registration of agricultural merchants and saddlers under that Order. The old and new fees are set out in the new Schedule 5 in the Schedule to this Order.

Amendments are also made to Schedules 1 to 4 to the 1992 Order to take account of product licences or marketing authorisations granted, withdrawn or expired since the Order was last amended (these Schedules are reprinted in their entirety for ease of reference).

A Compliance Cost Assessment has been prepared and a copy has been placed in the library of each House of Parliament. Copies can be obtained from the Veterinary Medicines Directorate, Woodham Lane, Addlestone, Surrey KT15 3NB.
