

SCHEDULE 3

Regulation 12(a)

MAIL ORDER AND OTHER DISTANCE SELLING

1. Mail order catalogues and other printed communications referred to in regulation 12 (printed communications) shall contain the following information, given in the order specified below:

- (a) energy efficiency class in accordance with paragraph 1(3) of Schedule 2 (energy efficiency class);
- (b) energy consumption in accordance with paragraph 1(5) of that Schedule (energy consumption);
- (c) capacity in accordance with paragraph 1(6) of that Schedule (capacity);
- (d) water consumption per cycle in accordance with paragraph 1(7) of that Schedule (drying performance);
- (e) estimated annual consumption for a four person household, in accordance with paragraph 1(9) of that Schedule (typical annual consumption);
- (f) where applicable, noise, in accordance with paragraph 1(11) of that Schedule (noise).

2. Where other information contained in the information notice is provided, it shall be in the form defined in Schedule 2 and shall be included in the list set out in paragraph 1 above in the order specified in that Schedule.
