SCHEDULE

Article 2

REGISTERED HOMOEOPATHIC VETERINARY MEDICINAL PRODUCTS TO WHICH THIS ORDER DOES NOT APPLY

Registered homoeopathic veterinary medicinal products which are prescription only medicines under the Medicines (Veterinary Drugs) (Prescription Only) Order 1991⁽⁶⁾ as applied by regulation 34(1) of, and Schedule 5 to, the Registration of Homoeopathic Veterinary Medicinal Products Regulations 1997.

EXPLANATORY NOTE

(This note is not part of the Order)

This Order comes into force on 30th June 1997. It specifies certain homoeopathic veterinary medicinal products registered under the Registration of Homoeopathic Veterinary Medicinal Products Regulations 1997 (S.I. 1997/322) (“the 1997 Regulations”) as being a class of medicinal products which can with reasonable safety be sold or supplied otherwise than by, or under the supervision of, a pharmacist (article 3). In doing so, the Order supplements the 1997 Regulations in implementing the classification provisions of the second paragraph of Article 7.1 of Council Directive 92/74/EEC widening the scope of Directive 81/851/EEC on the approximation of provisions laid down by law, regulation or administrative action relating to veterinary medicinal products and laying down additional provisions on homeopathic veterinary medicinal products (OJNo. L297, 13.10.92, p.12).
