**1997 No. 1729**

The Animals and Animal Products (Examination for Residues and Maximum Residue Limits) Regulations 1997

PART II

PROHIBITIONS AND EXCEPTIONS

**Prohibition of the sale of animal products**

**10.**—(1) No person shall sell for human consumption any animal product derived from an animal the sale or supply for slaughter of which is prohibited under regulation 9.

(2) No person shall sell for human consumption any animal product which contains—

- (i) an unauthorised substance; or
- (ii) an authorised substance at a concentration exceeding the relevant maximum residue limit.
