8. The Secretary of State, when giving a direction under paragraph 3(1)(b) of Schedule 5 to the 1997 Act, shall give reasons for his decision as to the total amount of the levies and the Authority shall take into account, in its proposed allocation of the resources expected to be available to it, any reasons which are given.

Apportionment of the levies

9. Once the total amount of the levies has been approved by the Secretary of State or, if no such approval has been given, once the Secretary of State has issued a direction under paragraph 3(1) or (2) of Schedule 5 to the 1997 Act, the total amount of the levies shall be apportioned between police authorities in accordance with the Schedule to this Order.

Issuing the levy

10.—(1) The Authority shall, by 15th February in the preceding year, notify in writing each police authority of the total amount of the levies and the levy attributed to that police authority as a result of the apportionment in accordance with the Schedule to this Order.

(2) A levy is not invalid merely because it is issued after 15th February.

Substitution

11.—(1) Subject to the following provisions of this article, when the Authority has issued a levy for a financial year under this Order (originally or by way of substitution) it may issue a levy in substitution.

(2) Except as provided by paragraph (3) below, no levy may be issued in substitution if the amount of the levy issued in substitution (the "new levy") would be greater than the amount of the

levy for which it is substituted (the “old levy”) or if the total amount of the levies issued for the relevant year would be greater than the total amount of the levies approved by the Secretary of State or issued under paragraph 3(1) or (2) of Schedule 5 to the 1997 Act.

- (3) The amount of the new levy may be greater than the amount of the old levy if—
- (a) the old levy, or the total amount of the levies issued for the relevant year, has been quashed because of a failure to fulfil the requirements of Schedule 5 or this Order; or
 - (b) the new levy is required to be increased to effect a proper apportionment.
- (4) If the amount of the old levy exceeds that of the new levy, the following shall apply as regards anything paid if it would not have been paid had the amount of the old levy been the same as that of the new levy—
- (a) it shall be repaid if the police authority by whom it was paid so requires;
 - (b) in any other case it shall (as the Authority determines) either be repaid or be credited against any subsequent liability of the police authority in respect of any levy issued by the Authority.

Anticipation

12.—(1) A police authority when making calculations in accordance with section 32 or section 43 of the Local Government Finance Act 1992(3) (as appropriate) (originally or by way of substitution) for a financial year, may anticipate a levy to be issued to it in accordance with this Order for the relevant year by the Authority in any case where such a levy has not been issued by the Authority to the police authority at the time the calculations are made.

(2) Where, pursuant to paragraph (1) above, a police authority anticipates a levy to be issued by the Authority for the relevant year, the amount of the levy so anticipated shall be equal to the police authority’s estimate, at the time the calculations (or last calculation) are made, of the amount of the levy which will be issued to it for the relevant year.

(3) Whether or not a police authority making calculations (originally or by way of substitute) for a financial year anticipates a levy to be issued in accordance with this Order—

- (a) where the Authority issues such a levy to the police authority, the police authority shall pay to the Authority a sum equal to the amount of the levy; and
- (b) where the Authority does not issue such a levy to the police authority, the police authority shall not pay any sum to the Authority in respect of such a levy.

(4) When estimating the amount of levy which will be issued a police authority shall do so on the basis of any information available to it at that time.

Payment of the levy

13.—(1) The amount of a levy issued to a police authority under this Order shall be paid in full by that police authority in the relevant year in respect of which the levy is issued.

(2) Subject to paragraph (4) below, where the levy issued to a police authority for the relevant year is £1 million or more, it shall be paid in ten equal instalments, payable respectively at the end of April, May, June, July, August, September, October, November, December and January in that year.

(3) Subject to paragraph (4) below, where the levy issued to a police authority for the relevant year is less than £1 million, it shall be paid in five equal instalments, payable respectively at the end of April, June, August, October and December in that year.

(4) In relation to the financial year ending with 31st March 1999 the instalment payable at the end of April shall be paid as to one half on 3rd April 1998 and as to the remainder at the end of April 1998.

(3) 1992 c. 14.

(5) References in this article to payment of a levy are references to the payment of a levy after the deductions of any amount credited against the liability of the police authority in respect of that levy in accordance with article 11(4) above.

Interest on unpaid levies

14.—(1) Where the levy, or any part of the levy, is not paid by the due date for payment the police authority shall be liable to pay the Authority interest at the rate of simple interest calculated from day to day on the unpaid amount from the due date for payment until the date when payment is made at a rate equivalent to 2 per cent above the highest base rate quoted from time to time by any of the reference banks.

(2) For the purposes of paragraph (1) above—

(a) the reference banks are the seven largest institutions—

(i) authorised by the Bank of England under the Banking Act 1987(4); and

(ii) incorporated in and carrying on a deposit-taking business within the United Kingdom,

which quote a base rate in sterling;

(b) the size of an institution is to be determined by reference to its total consolidated gross assets denominated in sterling, as shown in its audited end-year accounts last published before the period for which interest is payable begins.

(3) In this article—

“consolidated gross assets” of an institution is a reference to the gross assets of that institution together with any subsidiary within the meaning of section 736 of the Companies Act 1985(5); and “a deposit taking business” has the meaning given in section 6 of the Banking Act 1987 but subject to any order under section 7 of that Act.

SCHEDULE

The proportion of the police authority's contribution to the opening budgets shall be calculated by dividing its contribution to the opening budgets which it contributed to, by the total opening budgets of all the Regional Crime Squads and Regional Technical Support Units in England and Wales in the financial year ending on 31st March 1998.
