

SCHEDULE 3

THE CE CONFORMITY MARKING AND OTHER INSCRIPTIONS (Articles 8(4) and 10 and Annex III to the Lifts Directive)

6. Subject to paragraph 7 below, where a lift or safety component is the subject of other Community directives concerning other aspects and which also provide for the affixing of the CE marking, such marking shall indicate that the lift or safety component is also presumed to conform to the provisions of those other directives.
