The Order amends the Schedule to the Turks and Caicos Islands (Territorial Sea) Order 1989 by changing several of the basepoints following the publication of new charts covering part of the Turks and Caicos Islands (Admiralty Charts 1441, 1450 and 3914). These Charts may be obtained from Admiralty Chart agents world-wide, details of which may be obtained from the United Kingdom Hydrographic Office, Taunton, TA1 2DN.
