EXPLANATORY NOTE

(This note is not part of the Order)

This Order amends the Environmentally Sensitive Areas (North Peak) Designation Order 1993 (“the principal Order”) which designated an area in the North Peak as an environmentally sensitive area, in implementation of Council Regulation (EEC) No. 2078/92 (OJ No. L215, 30.7.92, p.85) on agricultural production methods compatible with the requirements of protection of the environment and the maintenance of the countryside, as amended by Commission Regulation (EC) No. 2772/95 (OJ No. L288, 1.12.95, p.35) as in turn rectified by Commission Regulation (EC) No. 1962/96 (OJ No. L259, 12.10.96, p.7).

The area designated by the principal Order is increased (by an amendment to article 3 of the principal Order) and the designated area as thereby enlarged is shown (coloured yellow) in a new volume of maps dated 18th May 1998, which replaces the volume of maps referred to in article 3 of the principal Order dated 3rd March 1993 (*Article 5*).

The definitions set out in article 2(1) of the principal Order are consolidated and in addition new definitions are inserted (*Article 4*).

This Order replaces the Schedules to the principal Order (laying down detailed requirements of the scheme) by two new Schedules indicating the capital and management activities in respect of which payments may be made.
