The Greater Manchester (Light Rapid Transit System) (Ashton-under-Lyne Extension) Order 1998

PART III

ACQUISITION AND POSSESSION OF LAND

Supplementary

Acquisition of part of certain properties

35.—(1) This article shall apply instead of section 8(1) of the 1965 Act (as applied by article 27 above) in any case where—

- (a) a notice to treat is served on a person (“the owner”) under the 1965 Act (as so applied) in respect of land forming only part of a house, building or factory or of land consisting of a house with a park or garden (“the land subject to the notice to treat”), and
- (b) a copy of this article is served on the owner with the notice to treat.

(2) In such a case, the owner may, within the period of 21 days beginning with the day on which the notice was served, serve on the undertaker a counter-notice objecting to the sale of the land subject to the notice to treat and stating that he is willing and able to sell the whole (“the land subject to the counter-notice”).

(3) If no such counter-notice is served within that period, the owner shall be required to sell the land subject to the notice to treat.

(4) If such a counter-notice is served within that period, the question whether the owner shall be required to sell only the land subject to the notice to treat shall, unless the undertaker agrees to take the land subject to the counter-notice, be referred to the tribunal.

(5) If on such a reference the tribunal determine that the land subject to the notice to treat can be taken—

- (a) without material detriment to the remainder of the land subject to the counter-notice, or
- (b) in the case of part of land consisting of a house with a park or garden, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity and convenience of the house,

the owner shall be required to sell the land subject to the notice to treat.

(6) If on such a reference the tribunal determine that only part of the land subject to the notice to treat can be taken—

- (a) without material detriment to the remainder of the land subject to the counter-notice, or
- (b) in the case of part of land consisting of a house with a park or garden, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity and convenience of the house,

the notice to treat shall be deemed to be a notice to treat for that part.

(7) If on such a reference the tribunal determine that—

(a) the land subject to the notice to treat cannot be taken without material detriment to the remainder of the land subject to the counter-notice, but

(b) the material detriment is confined to a part of the land subject to the counter-notice,

the notice to treat shall be deemed to be a notice to treat for the land to which the material detriment is confined in addition to the land already subject to the notice, whether or not the additional land is land which the undertaker is authorised to acquire compulsorily under this Order.

(8) If the undertaker agrees to take the land subject to the counter-notice, or if the tribunal determine that—

(a) none of the land subject to the notice to treat can be taken without material detriment to the remainder of the land subject to the counter-notice or, as the case may be, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity and convenience of the house, and

(b) the material detriment is not confined to a part of the land subject to the counter-notice,

the notice to treat shall be deemed to be a notice to treat for the land subject to the counter-notice whether or not the whole of that land is land which the undertaker is authorised to acquire compulsorily under this Order.

(9) In any case where by virtue of a determination by the tribunal under this article a notice to treat is deemed to be a notice to treat for less land or more land than that specified in the notice, the undertaker may, within the period of 6 weeks beginning with the day on which the determination is made, withdraw the notice to treat; and if it does so shall pay to the owner compensation for any loss or expense occasioned to him by the giving and withdrawal of the notice, to be determined in case of dispute by the tribunal.

(10) Where the owner is required under this article to sell only part of a house, building or factory or of land consisting of a house with a park or garden, the undertaker shall pay him compensation for any loss sustained by him due to the severance of that part in addition to the value of the interest acquired.

Extinction or suspension of private rights of way

36.—(1) All private rights of way over land subject to compulsory acquisition under this Order shall be extinguished—

(a) as from the acquisition of the land by the undertaker, whether compulsorily or by agreement, or

(b) on the entry on the land by the undertaker under section 11(1) of the 1965 Act,

whichever is sooner.

(2) All private rights of way over land owned by the undertaker which, being within the limits of land which may be acquired shown on the land plans, is required for the purposes of this Order shall be extinguished on the appropriation of the land for any of those purposes by the undertaker.

(3) All private rights of way over land of which the undertaker takes temporary possession under this Order shall be suspended and unenforceable for as long as the undertaker remains in lawful possession of the land.

(4) Any person who suffers loss by the extinguishment or suspension of any private right of way under this article shall be entitled to compensation to be determined, in case of dispute, under Part I of the Land Compensation Act 1961.

(5) This article does not apply in relation to any right of way to which section 271 or 272 of the Town and Country Planning Act 1990 (extinguishment of rights of statutory undertakers etc.) or paragraph 2 of Schedule 10 to this Order applies.

Public Open Space

37.—(1) The undertaker shall not under the powers of this Order acquire compulsorily any interest in the public open spaces known as Linear Park, Audenshaw and Freedom Gardens, Ashton comprised in the lands numbered 288 and 345 in the book of reference other than the lands shown coloured red on the public open space plans.

(2) None of the land shown coloured red on either of the public open space plans shall vest in the undertaker until the undertaker has acquired the land coloured green on that plan and Tameside Metropolitan Borough Council has certified that a scheme for the replacement as public open space of the land so shown coloured red with the land so shown coloured green has been implemented to its satisfaction.

(3) Upon the requirements of paragraph (2) being satisfied in relation to the land shown coloured red on either of the public open space plans, the land so shown coloured green on that plan shall vest in Tameside Metropolitan Borough Council subject to the like rights, trusts and incidents as attached to the land shown coloured red; and the land shown coloured red shall thereupon be discharged from all rights, trusts and incidents to which it was previously subject.

Time limit for exercise of powers of acquisition

38.—(1) The powers conferred by this Order to acquire land or rights over land compulsorily, and the power conferred by article 32 above to enter upon and take temporary possession of land, shall cease at the end of the period of 5 years beginning on the day on which this Order comes into force.

(2) Paragraph (1) above shall not prevent the undertaker remaining in possession of land in accordance with article 32 above after the end of that period, if the land was entered and possession of it was taken before the end of that period.
