EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Reservoirs (Panels of Civil Engineers) (Applications and Fees) Regulations 1992, which prescribe the manner in which a civil engineer may apply to be appointed or reappointed to an existing panel of civil engineers set up for the purposes of the Reservoirs Act 1975, and the fee to accompany such an application, by increasing the fee for a first appointment from £230 to £300, and in other cases from £185 to £250. They also revoke previous regulations dealing with fees in relation to appointments to those panels.
