**1998 No. 2451**

**The Gas Safety (Installation and Use) Regulations 1998**

**PART B**

**GAS FITTINGS – GENERAL PROVISIONS**

**Maintaining electrical continuity**

**10.** In any case where it is necessary to prevent danger, no person shall carry out work in relation to a gas fitting without using a suitable bond to maintain electrical continuity until the work is completed and permanent electrical continuity has been restored.
