Whereas the Secretary of State was of the opinion, as mentioned in section 1(1)(a) of the Food and Environment Protection Act 1985(1), that there had been or might have been circumstances which were likely to create a hazard to human health through human consumption of food;

EXPLANATORY NOTE

(This note is not part of the Order)

This Order further partially revokes the Food Protection (Emergency Prohibitions) (Radioactivity in Sheep) (Wales) Order 1991 (“the principal Order”) which contains emergency prohibitions restricting various activities in order to prevent human consumption of food which has been or which may have been rendered unsuitable for that purpose in consequence of the escape of radioactive substances from a nuclear reactor situated at Chernobyl in the Ukraine.

This partial revocation reduces two designated areas in the County of Gwynedd subject to the restrictions set out in the principal Order and also provides that a designated area in the County of Powys is no longer subject to the said restrictions.
