1999 No. 1092

The Patents (Amendment) Rules 1999

Citation and commencement

- 5.** In rule 22 (unity of invention), for paragraph (1) substitute—

“(1) Without prejudice to the generality of section 14(5)(d), where two or more inventions are claimed (whether in a single claim or in separate claims), and there exists between or among those inventions a technical relationship which involves one or more of the same or corresponding special technical features, then those inventions shall be treated as being so linked as to form a single inventive concept for the purposes of the Act.”.
