EXPLANATORY NOTE

(This note is not part of the Order)

This Order amends the Environmentally Sensitive Areas (Shropshire Hills) Designation Order 1994 (“the principal Order”) as amended, which designated an area in the Shropshire Hills as an environmentally sensitive area, in implementation of Council Regulation (EEC) No. 2078/92 (OJ No. L215, 30.7.92, p. 85) on agricultural production methods compatible with the requirements of protection of the environment and the maintenance of the countryside, as amended by Council Regulation (EC) No. 2772/95 (OJ No. L288, 1.12.95, p. 35) as in turn rectified by Council Regulation (EC) No. 1962/96 (OJ No. L259, 12.10.96).

This Order replaces the Schedules to the principal Order (laying down detailed requirements of the scheme) by two new Schedules specifying the capital and management activities in respect of which payments may be made and specifies the maximum payments in respect of such activities (*articles 7 and 8*).

In addition some modifications are made to article 2(1) of the principal Order which sets out the definitions (*article 4*).

The provisions of the principal Order that are amended or revoked do not include any that derive from the Environmentally Sensitive Areas (England) Designation Orders (Amendment) Regulations 1996 (S.I. 1996/3104); those which derive from S.I. 1996/3104 are revoked with a saving, by the Environmentally Sensitive Areas (England) Designation Orders (Revocation of Specified Provisions) Regulations 1999, which come into force on 30th August 1999.

No regulatory impact assessment has been made in respect of this Order.
