*(This note is not part of the Regulations)*

These Regulations further amend the National Health Service (Optical Charges and Payments) Regulations 1997 (“the 1997 Regulations”) which provide for payments to be made by means of a voucher system in respect of costs incurred by certain categories of persons in connection with the supply, replacement and repair of optical appliances. These Regulations also amend the National Health Service (General Ophthalmic Services) Regulations 1986 (“the 1986 Regulations”) which provide for the arrangements under which ophthalmic medical practitioners and ophthalmic opticians provide ophthalmic services.

Regulation 2 amends the 1997 Regulations, and regulation 3 amends the 1986 Regulations, consequent upon the replacement of family credit and disability working allowance by working families' tax credit and disabled person's tax credit respectively.
