(3) Where an eligible student has withdrawn from a course in circumstances where the Secretary of State has not transferred or will not transfer his eligibility to another course under regulation 7, or has abandoned or been expelled from his course, the Secretary of State shall determine that he is no longer eligible for support, and on such determination he shall then cease to be an eligible student.

(4) Where an eligible student has shown himself by his conduct to be unfitted to receive support the Secretary of State may determine that he is no longer eligible for support, and on such determination he shall then cease to be an eligible student.

- (a) no longer be eligible for any support, or

the amount available to reduce the maximum amount of grant referred to in paragraph (1)(b) shall be calculated in accordance with paragraph (2), but it shall be assumed that the maximum amount of grant referred to in paragraph (1)(a) is **£1,050** rather than the amount referred to in regulation 11(1)(c), (e) or (f) or, in the case of a student who is not eligible for grant in pursuance of regulation 10(7)(b), rather than nothing.

- (b) not later than 10 weeks after the expiry of that period, or promptly after a valid request for payment has been received, if that is later.

(2) The Secretary of State may make a provisional payment where assessment of the student's contribution or other matters have delayed final calculation of the amount of grant for which the student is eligible.

(3) No payment of grant for fees shall be made if—

- (a) before the expiry of three months from the beginning of the academic year the eligible student ceases to attend the course, and
- (b) the academic authority has determined or agreed that he will not commence attending again during the academic year in respect of which the fees are payable, or at all.

#### **Payment of grants and loans for living costs**

**25.**—(1) Subject to the following paragraphs **and to regulation 16(4)** the Secretary of State shall pay grants for which a student is eligible under Part IV or loans for which a student has applied under Part V in such instalments (if any) and at such times as he considers appropriate; and in the exercise of his functions under this paragraph he may in particular make provisional payments pending the final calculation of the amount of grant or loan for which the student is eligible.

(2) Grants for which a student is eligible under regulation 15 and loans for which a student has applied under Part V other than a loan under regulation 21 shall be payable in respect of three quarters of the academic year, and shall not be payable in respect of the quarter during which in the opinion of the Secretary of State the longest of any vacations is taken.

(3) The Secretary of State shall pay support referred to in paragraph (2) in the following instalments:

- (a) if the first instalment is paid during the first quarter of the academic year in respect of which the support is payable it shall be paid in three equal instalments during the quarters in respect of which it is payable;
- (b) if the first instalment is paid during the second quarter of the academic year in respect of which support is payable it shall be paid in two instalments during the quarters in respect of which it is payable, the first amounting to two thirds of the amount to be paid, and the second one third of that amount; and
- (c) if the first instalment is paid during the third quarter of the academic year in respect of which the support is payable it shall be paid in one instalment.

(4) Payments shall be made in such manner as the Secretary of State considers appropriate, and he may make it a condition of entitlement to payment that the eligible student shall provide him with particulars of a bank or building society account in the United Kingdom into which payments may be made by electronic transfer.

(5) Subject to regulation 7 no support referred to in paragraph (2) shall be payable in respect of a quarter beginning after an eligible student has withdrawn from, abandoned or been expelled from his course; and the amount of such support for the academic year shall be the aggregate of the support, if any, which is payable in respect of each quarter.

(6) No support referred to in paragraph (2) shall be payable in respect of a quarter during any part of which an eligible student is absent from his course, unless in the opinion of the Secretary of State it would be appropriate in all the circumstances to pay all or part of the support; and the amount of such support for the academic year shall be the aggregate of the support, if any, which is payable in respect of each quarter.

(7) In deciding whether it would be appropriate to pay all or part of the support under paragraph (6) the circumstances which the Secretary of State shall have regard to shall include the reasons for the student's absence, the length of the absence, and the financial hardship which not paying all or part of the support would cause.

(8) An eligible student shall not be considered to be absent from his course if he is unable to attend due to illness and his absence has not exceeded 60 days.

(9) Where after the Secretary of State has made any payment of support referred to in paragraph (2) he makes a determination of the amount of grant for which the student is eligible in respect of an academic year under regulation 15 either for the first time or by way of revision of a provisional or other determination of that amount—

- (a) if the determination increases the amount of grant for which the student is eligible he shall pay the additional amount in instalments in accordance with paragraph (3), paying the first instalment as soon as is reasonably practicable after the determination and any subsequent instalment with instalments already payable;
- (b) if the determination decreases the amount of grant for which the student is eligible he shall subtract the amount of the decrease from any instalments of grant which remain to be paid under regulation 15, so that the instalments continue to bear the proportion to each other referred to in paragraph (3);
- (c) if the amount of the decrease is greater than the amount of grant remaining to be paid that amount shall be reduced to nil, and the balance subtracted from any other grant for which the student is eligible in respect of the academic year;
- (d) any remaining overpayment shall be recovered in accordance with regulation 26.

(10) Where the Secretary of State has made any payment of support referred to in paragraph (2) and a student who is eligible for a loan under Part V other than a loan under regulation 21 applies for such a loan or applies for an additional such loan in respect of an academic year the Secretary of State shall pay the loan or the additional loan in instalments in accordance with paragraph (3), paying the first instalment as soon as is reasonably practicable after a satisfactory application has been received and any subsequent instalment with instalments already payable.

(11) Where the Secretary of State has paid an instalment of loan for which a student is eligible in respect of an academic year under Part V and he makes a determination that the amount of loan

for which the student is eligible is less than the amount previously determined, either by way of revision of a provisional determination or otherwise,—

- (a) he shall subtract such amount as is necessary to ensure that the student does not borrow an amount greater than the amount which he is eligible to borrow from any instalments of loan which remain to be paid, so that the instalments continue to bear the proportion to each other referred to in paragraph (3);
- (b) if the amount to be subtracted is greater than the amount of loan remaining to be paid that amount shall be reduced to nil;
- (c) any remaining overpayment shall be recovered in accordance with regulation 26.

(12) Notwithstanding the above paragraphs where—

- (a) support referred to in paragraph (2) is payable in respect of a period of attendance at an overseas institution, and
- (b) the Secretary of State considers that payment of the support in instalments in accordance with the above paragraphs may prejudice his admission to the overseas country or institution,

he may pay the support in such instalments, if any, as he considers appropriate.

(13) Notwithstanding the above paragraphs where the periods of attendance for a course are such that the payment of instalments during the quarters in respect of which the support is payable may cause the eligible student hardship the Secretary of State may pay the instalments at such other times as he considers appropriate.

(14) Notwithstanding the above paragraphs where by reason of the absence of the student—

- (a) support referred to in paragraph (2) is reduced in accordance with paragraph (6), and
- (b) the Secretary of State considers that the payment of such support in accordance with the above paragraphs would be inappropriate

he may pay such support in such number of instalments and in instalments of such amounts as he considers appropriate.

### **Overpayments**

- (b) where the student upon completion of his course immediately commences another course disregarding any intervening vacation by subtracting the overpayment from any payment of grant for living costs (other than a grant for dependants) for which he is eligible in respect of any academic year in connection with the second course;
- (c) by taking such other action for the recovery of a payment without statutory authority as is available to him.

(3) Any overpayment of grant for dependants under Part IV shall be recovered in such one or more of the following ways as the Secretary of State considers appropriate in all the circumstances:

- (a) by subtracting the overpayment from any grant for dependants for which the student is eligible in respect of the academic year in question or for which he is eligible in respect of any other academic year;
- (b) where a student upon completion of his course immediately commences another course disregarding any intervening vacation by subtracting the overpayment from any payment of such grant for which he is eligible in respect of any academic year in connection with the second course; and

- (c) by taking such other action for the recovery of a payment without statutory authority as is available to him.
- (4) Any overpayment of a loan for living costs under Part V in respect of any academic year may be recovered if in the opinion of the Secretary of State—
- (a) the overpayment is a result of a failure of the student to provide promptly information which might affect his eligibility for a loan or the amount of loan for which he is eligible, or
  - (b) any information which he has provided is inaccurate in a material particular
- but otherwise it shall be treated as a loan properly made under Part V which shall be repayable in accordance with the Act and regulations made under it.
- (5) Where an overpayment of loan is treated as properly made under paragraph (4) the Secretary of State may subtract the overpayment from the amount of loan **for living costs under Part V** for which the student is eligible in respect of any other academic year.

## PART II

### PARENTAL CONTRIBUTION

#### Definitions and construction of Part II

2.—(1) In this Part of this Schedule—

"child" includes a step-child but, except in paragraph 4, does not include a child who holds a statutory award; and, except as otherwise provided by paragraph 5, "parent" shall be construed accordingly;

"financial year" means the period of 12 months for which the income of the eligible student's parent is computed for the purposes of the income tax legislation which applies to it;

"gross income" has the meaning assigned to it by paragraph 5;

"income of the student's parent" means the taxable income of the parent from all sources computed as for the purposes of the Income Tax Acts or as for the purposes of the income tax legislation of another member State of the European Community which applies to the parent's income, or where the legislation of more than one member State applies in respect of the same period, as for the purposes of the legislation pursuant to which the Secretary of State considers that the parent will pay the largest amount of tax in that period, except as otherwise provided by paragraph 5 or 6;

"residual income" means, subject to sub-paragraph (2), the balance of gross income remaining in any year after the deductions specified in paragraph 6 have been made.

(2) Where, in a case not falling within paragraph 5(3) or (4), the Secretary of State is satisfied that the income of the parent in any financial year is as a result of some event beyond his control

likely to be, and to continue after that year to be, not more than 85 per cent. of his income in the financial year preceding that year, he may, for the purpose of enabling the eligible student to attend the course without hardship, ascertain the parental contribution for the year of his course in which that event occurred by taking as the residual income the average of the residual income for each of the financial years in which that year falls.

(3) Where the eligible student's parent satisfies the Secretary of State that his income is wholly or mainly derived from the profits of a business or profession carried on by him, then, if the Secretary of State and the parent so agree, any reference in this Part of this Schedule to a financial year shall be construed as a reference to a year ending with such date as appears to the Secretary of State expedient having regard to the accounts kept in respect of that business or profession and the periods covered thereby.

(4) Where a parent is in receipt of any income which does not form part of his taxable income by reason only that—

- (a) he is not resident, ordinarily resident or domiciled in the United Kingdom, or where the parent's income is computed as for the purposes of the income tax legislation of another member State of the European Community, not so resident, ordinarily resident or domiciled in that member State,
- (b) the income does not arise in the United Kingdom, or where the parent's income is computed as for the purposes of the income tax legislation of another member State, does not arise in that member State, or
- (c) the income arises from an office, service or employment, income from which is exempt from tax in pursuance of any legislation,

his income for the purposes of this Part of the Schedule shall be computed as though the income first mentioned in this sub-paragraph were part of his taxable income.

(5) Where the income of the eligible student's parent is computed as for the purposes of the income tax legislation of another member State—

- (a) it shall be computed in the currency of that member State,
- (b) the value of any deduction mentioned in paragraph 6(2) shall be the amount of that currency required to purchase the sterling value of the deduction, and
- (c) the value of the sterling which the income of the eligible student's parent in that currency would purchase shall be determined, and shall constitute the income of the student's parent for the purposes of this Part.

(6) The rate applied in determining the sterling value of another currency under sub-paragraph (5) shall be the rate for the month in which the last day of the financial year in question falls published by the Office for National Statistics in "Financial Statistics".

## **Application of Part II**

3.—(1) A parental contribution ascertained in accordance with this Part shall be applicable in the case of every eligible student except where—

- (a) he is aged 25 or over on the first day of the academic year in respect of which the contribution is applicable;
- (b) he has supported himself out of his earnings for periods before the first academic year of the course aggregating not less than three years;
- (c) he has been married for at least two years before the beginning of the academic year in respect of which the contribution is applicable, whether or not the marriage is still subsisting;
- (d) he has no parent living;
- (e) the Secretary of State is satisfied that his parents cannot be found or that it is not reasonably practicable to get in touch with them;

- (f) he is irreconcilably estranged from his parents;
- (g) he has pursuant to an order of a competent court been in the custody or care of or has been provided with accommodation by—
  - (i) a state authority or agency, national, regional or local,

  - (iii) any person who is not the student's parent

throughout any three month period ending on a date on or after the date on which he attains the age of 16 and before the first day of his course; provided that he has not at any time from the beginning of the three month period to the first day of his course in fact been under the charge or control of his parents;

- (h) his parents are residing outside the European Community and the Secretary of State is satisfied either that—
  - (i) the assessment of a parental contribution would place those parents in jeopardy; or
  - (ii) it would not be reasonably practicable for those parents to send any such contribution to the United Kingdom;
- (i) paragraph 5(7) applies and the parent whom the Secretary of State considered the more appropriate for the purposes of that sub-paragraph has died;
- (j) he is a member of a religious order who resides in a house of his order.

(2) For the purposes of sub-paragraph (1)(b) an eligible student shall be treated as having supported himself out of his earnings for any period or periods for which—

- (f) the student could not reasonably have been expected to support himself out of his earnings because he had the care of a person under the age of 18 years who was wholly or mainly financially dependent upon him.

(3) For the purposes of sub-paragraph (1)(f) an eligible student shall be regarded as irreconcilably estranged from his parents if, but not only if, he has communicated with neither of them for the period of one year before the beginning of the year for which payments in pursuance of his award fall to be made.

### **Parental contribution**

4.—(1) The parental contribution shall, subject to sub-paragraphs (2) and (3) be—

- (a) in any case in which the residual income is **£17,805** or more but less than **£22,755**, £45 with the addition of £1 for every complete £13 by which it exceeds **£17,805**;
- (b) in any case in which the residual income is **£22,755** or more but less than **£33,450**, **£425** with the addition of £1 for every complete £9.20 by which it exceeds **£22,755**; and
- (c) in any case in which the residual income is **£33,450** or more, **£1,587** with the addition of £1 for every complete £7.50 by which it exceeds **£33,450**,

reduced in each case in respect of each child of the parent (other than the student) who is wholly or mainly financially dependent on him on the first day of the year for which the contribution falls to be ascertained, by £77; and in any case in which the residual income is less than £17,805 the parental contribution shall be nil.

(2) The amount or (where a contribution is ascertained in respect of more than one child of the parent) the aggregate amount of the parental contribution shall in no case exceed £6,437.

(3) For any year in which a statutory award is held by—

- (a) more than one child of the parent;
- (b) the parent; or
- (c) the student's step-parent,

the parental contribution for the eligible student shall be such proportion of any contribution ascertained in accordance with this Part as the Secretary of State (after consultation with any other authority involved) considers just; provided that where a contribution is ascertained in respect of more than one child of the parent the aggregate amount of the contributions in respect of each shall not exceed the amount of the contribution that would be ascertained if only one child held an award.

### Gross income

5.—(1) For the purposes of this paragraph “preceding financial year” means the financial year preceding the academic year in respect of which the resources of the eligible student fall to be assessed and “current financial year” means the financial year which includes the first day of the academic year; provided that where references to a financial year fall to be construed in accordance with paragraph 2(3) as references to a year ending less than five months before the beginning of an academic year of the eligible student's course, “preceding financial year” shall mean the financial year last ending five or more months before the academic year in respect of which the resources of the eligible student fall to be assessed and “current financial year” shall mean the financial year ending within those five months.

(2) Subject to the provisions of this paragraph, “gross income” means the income of the student's parent in the preceding financial year or, for the purpose of calculating residual income under paragraph 2(2), in the financial year there mentioned.

(3) Where the Secretary of State is satisfied that the sterling value of the income of the student's parent in the current financial year is likely to be not more than 85 per cent. of the sterling value of his income for the preceding financial year, he may for the purpose of calculating the parental contribution ascertain the gross income by reference to the current financial year; and in such case sub-paragraph (2) shall have effect, in relation to the academic year in respect of which the eligible student's resources fall to be assessed and, if the Secretary of State so determines, any subsequent year, as if the reference therein to the preceding financial year were a reference to the current financial year.

(4) Where—

- (a) one of the eligible student's parents dies either before or during the year in respect of which the resources of the student fall to be ascertained (“the relevant year”); and
- (b) that parent's income has been or would be taken into account for the purpose of determining the parental contribution,

the parental contribution shall—

- (c) where the parent dies before the relevant year, be determined by reference to the income of the surviving parent; or
- (d) where the parent dies during the relevant year, be the aggregate of—
  - (i) the appropriate proportion of the contribution determined by reference to the income of both parents, that is to say such proportion thereof as the part of the relevant year during which both parents were alive bears to the full year; and
  - (ii) the appropriate proportion of the contribution determined by reference to the income of the surviving parent, that is to say such proportion thereof as the part of the relevant year remaining after the parent dies bears to the full year.

(5) Without prejudice to sub-paragraph (6), where, in pursuance of any trust deed or other instrument or by virtue of any applicable legislation any income is applied by any person for or

towards the maintenance, education or other benefit of the eligible student or of any person dependent on the student's parent, or payments made to his parent are required to be so applied, that income, or those payments, shall be treated as part of the gross income of the parent.

(6) Where any such benefit as is mentioned in paragraph 1(1)(b)(i) of Part I of this Schedule is provided, by reason of the parent's employment, for any member of his family or household who is an eligible student (whether the student or some other such member) then that benefit shall not be treated as part of the gross income of the parent.

(7) Where the parents do not ordinarily live together throughout the year in respect of which the resources of the eligible student fall to be ascertained ("the relevant year"), the parental contribution shall be determined by reference to the income of whichever parent the Secretary of State considers the more appropriate in the circumstances.

(8) Where the parents do not ordinarily live together for part only of the relevant year, the parental contribution shall be the aggregate of—

- (a) the appropriate proportion of the contribution determined as provided in sub-paragraph (7), that is to say such proportion thereof as the part of the relevant year for which the parents do not so live together bears to the full year; and
- (b) the appropriate proportion of the contribution determined without regard to this sub-paragraph, that is to say, such proportion thereof as the part of the relevant year for which the parents so live together bears to the full year.

(9) Where one of the eligible student's parents is his step-parent the parental contribution shall be ascertained by reference only to the income of the other parent.

### Deductions

6.—(1) For the purposes of determining the income of a student's parent (and, accordingly, the parent's gross income), in computing his taxable income as for the purposes of the Income Tax Acts or for the purposes of the income tax legislation of another member State of the European Community any deductions which fall to be made or exemptions which are permitted—

- (a) by way of personal reliefs provided for in Chapter I of Part VII of the Income and Corporation Taxes Act 1988<sup>(a)</sup>, or where the parent's income is computed as for the purposes of the income tax legislation of another member State, any comparable personal reliefs;

(2) For the purpose of determining a parent's residual income there shall be deducted from his gross income—

(2) The spouse's contribution shall be—

- (a) in any case in which the residual income is **£15,070** or more but less than **£22,755**, £45 with the addition of £1 for every complete £9.80 by which it exceeds **£15,070**;
- (b) in any case in which the residual income is **£22,755** or more but less than **£33,450**, **£829** with the addition of £1 for every complete £7.05 by which it exceeds **£22,755**; and
- (c) in any case in which the residual income is **£33,450** or more, **£2,346** with the addition of £1 for every complete £5.60 by which it exceeds **£33,450**;

reduced in any such case by **£77** in respect of each child of the eligible student who is dependent on him or his spouse on the first day of the year for which the contribution falls to be ascertained; and in any case in which the residual income is less than **£15,070** the spouse's contribution shall be nil; provided that the amount of the spouse's contribution shall in no case exceed **£6,437**.

(4) **This sub-paragraph applies** if the eligible student's marriage terminates **or if the student ceases living with a person as their husband or wife within the meaning of paragraph 7** during any academic year for which the contribution falls to be ascertained. The contribution for that year shall be the fraction of the sum ascertained in accordance with the provisions of sub-paragraphs (1) and (2) of which the denominator is 52 and the numerator is the number of complete weeks between the beginning of that year and the termination of the marriage **or their ceasing to live together**.

## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations, which come into force on 11th May 2000, provide for support for students attending higher education courses in respect of academic years beginning on or after 1st September 2000.

Provisions in these Regulations which differ from the corresponding provisions of the 1999 Regulations as amended (except as a result of minor drafting or consequential changes) are indicated by the use of heavy type. Omissions are indicated by the use of dots. Changes of substance made by these Regulations other than the changes in the rates of fees, grants and loans are described below.

A number of minor changes are made. The definitions of “high cost country”, “higher cost country” and “Metropolitan Police District” are amended in regulation 2(1). Regulation 2(3) is amended so as to provide expressly that members of the armed forces are treated as falling within the temporary employment abroad exemption from the residence conditions in paragraph 8 of Schedule 1 to the Regulations.

Regulation 4(5) prohibits a student in respect of whom the first academic year of the course begins on or after 1st September 2000 from receiving support at any one time for more than one designated course or for a designated course and a designated part-time course. The definition of a full-time course is removed. Regulation 6(2) is amended so that a student who has not applied for support in respect of his attendance at a designated course in the first academic year of his course now has the opportunity to do so in a subsequent academic year. The requirement for the production of specified documents is removed, but the student must provide such evidence as the Secretary of State may require under regulation 6(3).

The student’s eligibility in respect of grants and loans for living costs, and in respect of grants for fees for repeat study for which the student remains eligible under regulation 10(8), now terminates at the end of the academic year in which the student completes the course (*regulation 8(1)*). There are minor amendments (in regulation 10(4)) to the exceptions to the provision that a student is not generally eligible for support where he has previously attended a publicly funded full-time course at an institution in the United Kingdom. Regulation 10(9) is amended to clarify the support for which a student is eligible where his eligibility has been transferred more than once under regulation 7(1)(a) or (b). A different rate of support for fees is paid to institutions which are not maintained or assisted out of public funds and regulation 11 is amended to make clear that this applies in all circumstances other than in the case of designated courses at the four institutions specified in regulation 11(2). The definition of “spouse” is amended at regulation 15(10) in respect of dependants’ grants to include a person of the opposite sex ordinarily living with the student as his spouse.

A new grant is available under regulation 16 for a student who is entitled to receive a dependant’s grant in respect of a dependent child. The student is eligible for a grant as specified in regulation 16(2) if the child attends a school maintained by a local education authority or a city technology college or a city college for the technology of the arts. The student is not eligible for the grant if the dependent child already receives a school meal free of charge under provisions in the Education Act 1996 (*regulation 16(3)*).

Where a student applies for less than his maximum loan entitlement, he may now apply more than once to borrow an additional amount, which shall not exceed the relevant maximum applicable in his case (*regulation 20(7)*). The application of the student’s contribution is amended at regulation 23.

In calculating an eligible student’s income for the purposes of determining his contribution, payments made to him for the maintenance of his child are to be disregarded (*paragraph 1(1)(u) of Schedule 3*). Where neither a parental contribution under paragraph 3(1) of Schedule 3, nor a spouse’s contribution under Part III of Schedule 3, applies in respect of the student, a new income disregard is applied under paragraph 1(1)(v) of Schedule 3, in place of the disregards that otherwise apply under paragraphs 1(1)(a) and 1(1)(r). There are other minor amendments to the calculation of the student’s income under paragraph 1. Payments for the maintenance of an eligible student’s child or former spouse or person who lived with him as his spouse are to be

deducted in calculating the student's income (*paragraph 1(4) of Schedule 3*). The determination of the contribution for an eligible student, parent or spouse pursuant to regulation 22 and Schedule 3 is now termed the financial assessment.

The provision on the deductions to be made from a parent's gross income for the purpose of determining his residual income is amended (*paragraph 6(2) of Schedule 3*). The provisions for determining the spouse's contribution are amended for a student in respect of whom the first academic year of the course begins on or after 1st September 2000 and who is aged 25 or over on the first day of the academic year in respect of which the contribution applies. The spouse's contribution in this case now also applies in respect of a person of the opposite sex ordinarily living with the student as his spouse (*Part III of Schedule 3*).

A new Part VIII is introduced, making provision for the support of students attending part-time higher education courses which are designated by or under regulation 28. The general criteria for eligibility for such support, which are broadly similar to those for support for full-time study, are set out in regulation 27.

Part-time students, whose financial resources (his and his spouse's gross income, disregarding £2,000 in respect of his spouse, £2,000 in respect of his only or eldest child and £1,000 in respect of each other child) do not exceed £13,000 or who are entitled to any of the benefits set out in regulation 29(4)(a) and who meet the additional eligibility requirements in regulation 29(1) and (2) are eligible for a loan of £500 in respect of each academic year of the course.

Disabled part-time students are eligible for grant to meet the additional cost of attendance on their courses by reason of their disability on the same basis as full-time students, save that the maximum amount of grant for a non-medical personal helper is reduced to £7,879, and the maximum amount of additional grant is reduced to £1,039 (*regulation 32*).

Part-time students have six months from the beginning of the academic year in which to apply for support (*regulation 31*) and may apply to transfer their eligibility to another part-time course on the same basis on which full-time students may transfer their eligibility (*regulation 33*).

Provision is also made for the conversion of eligibility for support for a full-time course to support for a part-time course and vice versa (*regulation 34*). Where a full-time student converts to part-time status in the course of an academic year, and the student has not at that time applied for a loan for living costs under Part V, provision is made for the student to continue to be able to do so in respect of the period before he became a part-time student. Provision is also made to reduce the maximum amount of grant for a disabled part-time student for the period during which he is studying part-time (*regulation 34(6)*). Where a part-time student becomes a full-time student in the course of an academic year, provision is made to reduce the maximum amount of support to which he is entitled for the period during which he is a full-time student (*regulation 34(12)*).

A part-time student's eligibility terminates at the end of the academic year in which he completes his course or where he abandons, ceases to attend or is expelled from his course or the Secretary of State determines that by reason of his conduct he is unfit to continue to receive support (*regulation 35*). Loans are to be paid in one instalment but otherwise support may be paid at such times and in such manner as the Secretary of State decides (*regulation 36*). Without prejudice to the Secretary of State's power to take action to recover overpayments through the courts, overpayments of loans for part-time study may be subtracted from payments of such loans in respect of any other academic year and overpayments of disabled person's grant may be subtracted from such grants in respect of other academic years or, where the student converts to full-time status, from other grants, except grants for dependants, under Part IV (*regulation 37*).
