## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations amend Schedule 3 to the Income Support (General) Regulations 1987 (S.I.1987/1967), as substituted and amended, with respect to the standard rate of interest applicable to a loan which qualifies for income support under that Schedule to those Regulations. The new rate is 7.44 per cent (regulation 2). The Regulations also revoke, with a saving provision, regulations which made a previous amendment to that standard rate of interest (regulation 3).

The Regulations do not impose a charge upon business.
