These Regulations amend the Seeds (Fees) Regulations 1985 (as amended). They prescribe revised fees in respect of matters arising under the Cereal Seeds Regulations 1993 (as amended), the Fodder Plant Seeds Regulations 1993 (as amended), the Oil and Fibre Plant Seeds Regulations 1993 (as amended), the Beet Seeds Regulations 1993 (as amended), the Vegetable Seeds Regulations 1993 (as amended) and the Seeds (Registration, Licensing and Enforcement) Regulations 1985 (as amended) (regulation 2).

The matters in respect of which the revised fees are prescribed are listed in the Schedule to these Regulations, and the fees which are chargeable before these Regulations came into force are printed in italics besides the revised fees. New fees have been introduced for crop examinations of crops produced from seed of a variety entered for but not added to the National List (or to the equivalent list in another Member State) intended to produce certified seed, certified seed of the first generation, certified seed of the second generation or certified seed for the third generation.

All fees have been increased by 5 per cent. rounded to the nearest five pence except in the case of the annual fee for Licensed Seed Testing Stations which has been rounded to the nearest £1.

A Regulatory Impact Assessment has been prepared and placed in the library of each House of Parliament. Copies can be obtained from the Plant Variety Rights Office and Seeds Division of the Ministry of Agriculture, Fisheries and Food, White House Lane, Huntingdon Road, Cambridge CB3 0LF.
