### **Apportionment**

6. If, in making the apportionment required by regulation 4(3) or paragraph 6 of Part I of Schedule 1 to the Act, the effect of the application of regulation 2(2) (rounding) would be such that the aggregate amount of child support maintenance payable by a non-resident parent would be different from the aggregate amount payable before any apportionment, the Secretary of State shall adjust that apportionment so as to eliminate that difference; and that adjustment shall be varied from time to time so as to secure that, taking one week with another and so far as is practicable, each person with care receives the amount which she would have received if no adjustment had been made under this paragraph.

### **Shared care**

7.—(1) For the purposes of paragraphs 7 and 8 of Part I of Schedule 1 to the Act a night will count for the purposes of shared care where the non-resident parent—

- (a) has the care of a qualifying child overnight; and
- (b) the qualifying child stays at the same address as the non-resident parent.

(2) For the purposes of paragraphs 7 and 8 of Part I of Schedule 1 to the Act, a non-resident parent has the care of a qualifying child when he is looking after the child.

(3) Subject to paragraph (4), in determining the number of nights for the purposes of shared care, the Secretary of State shall consider the 12 month period ending with the relevant week and for this purpose “relevant week” has the same meaning as in the definition of day to day care in regulation 1 of these Regulations.

(4) The circumstances in which the Secretary of State may have regard to a number of nights over less than a 12 month period are where there has been no pattern for the frequency with which the non-resident parent looks after the qualifying child for the 12 months preceding the relevant week, or the Secretary of State is aware that a change in that frequency is intended, and in that case he shall have regard to such lesser period as may seem to him to be appropriate, and the Table in paragraph 7(4) and the period in paragraph 8(2) of Schedule 1 to the Act shall have effect subject to the adjustment described in paragraph (5).

(5) Where paragraph (4) applies, the Secretary of State shall adjust the number of nights in that lesser period by applying to that number the ratio which the period of 12 months bears to that lesser period.

(6) Where a child is a boarder at a boarding school, or is a patient in a hospital, the person who, but for those circumstances, would otherwise have care of the child overnight shall be treated as providing that care during the periods in question.
