## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations, which apply only to England, amend the Seeds (Fees) Regulations 1985 (as amended). The amendments are necessary as a result of the Fodder Plants Seeds (Amendment) (England) Regulations 2000 which removed white lupin, narrow-leaved lupin (blue lupin), yellow lupin, Hungarian vetch, common vetch, hairy vetch and lucerne from the definition of “Certified Seed” and included them instead within the definition of “Certified Seed of the First Generation”. The amendments are required to ensure that the descriptions of categories of seeds for which fees are prescribed in Schedule 2 to the Regulations reflect these changes.

Point in time view as at 17/08/2001.

**Changes to legislation:**

There are currently no known outstanding effects for the The Seeds (Fees) (Amendment) (England) Regulations 2001.
