
STATUTORY INSTRUMENTS

2002 No. 1066

The Docklands Light Railway (Silvertown and
London City Airport Extension) Order 2002

PART II

WORKS PROVISIONS

Streets

Access to works

12. DLRL may, for the purposes of the construction or operation of the scheduled works, form and lay out such means of access or improve such existing means of access, to streets within the limits of deviation, as may be approved by the highway authority, but such approval shall not be unreasonably withheld.
