EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Pollution Prevention and Control (England and Wales) Regulations 2000.

Those Regulations require operators of the Part A(2) activities listed in regulation 2(2) and of all Part B activities to apply at times set out in the Regulations to local authorities for permits to continue operating. Part A(2) activities are subject to integrated pollution control by local authorities. Part B activities are subject to air pollution only control by local authorities. Regulation 2 defers by one year the periods within which or dates by which these applications for permits are to be made.

Regulation 3 revokes sub-paragraphs (a), (b) and (c) of regulation 2(3) of the Pollution Prevention and Control (England and Wales) (Amendment) Regulations 2001, those sub-paragraphs being superseded.
