The Forest Reproductive Material
(Great Britain) Regulations 2002

PART VI

*Movement of Forest Reproductive Material Between
Great Britain and elsewhere in the European Community*

Imports into Great Britain from a member State

24. No person acting in the course of a business or trade whether or not for profit shall import from a member State forest reproductive material into Great Britain intending to market that material unless it is accompanied by the supplier's label or document required by Article 14 of the Directive.
