### BUS STOP AND BUS STAND CLEARWAYS AND BOX JUNCTIONS

#### PART II

##### THE TRAFFIC SIGNS GENERAL DIRECTIONS 2002

###### **Placing of road marking shown in diagram 1001 or 1001.2 in conjunction with light signals**

47.—(1) The light signals prescribed by regulation 33(1) may be placed only in conjunction with the road marking shown in diagram 1001 or, subject to direction 18(2), 1001.2.

(2) The light signals prescribed by regulation 33(2) or 39(1) may be placed only in conjunction with the road marking shown in diagram 1001.

(3) This direction shall not apply to light signals while works which necessitate the temporary removal of a road marking are being executed on a road near the light signals.
