EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations, which extend to England, amend the Products of Animal Origin (Third Country Imports) (England) Regulations 2002 (S.I. 2002/1227) ('the principal Regulations') as follows.

They implement Commission Decision 2002/995/EC laying down interim safeguard measures with regard to imports of products of animal origin for personal consumption (OJ No. L353, 30.12.02, p.1) by substituting a new regulation 3 and regulation 3A for regulation 3 in the principal Regulations. This substitution amends the exemption from certain parts of the principal Regulations for personal imports meeting certain criteria so that the exemption no longer applies, with two exceptions, to meat, meat products, milk and milk products (regulation 2(2)).

They insert into regulation 53 of the principal Regulations a provision corresponding to regulation 53(2) (in relation to appeals against charges for veterinary checks paid to a local authority) regarding recalculation of the charge and repayment of the difference between the original charge and the recalculated charge in relation to appeals against charges paid to the Secretary of State or the Agency (regulation 2(5)).

They substitute a new Schedule for Schedule 2 of the principal Regulations (regulation 2(7)).

A regulatory impact assessment has not been prepared for these Regulations.
