ROAD TRAFFIC

The Road Vehicles (Authorisation of
Special Types) (General) Order 2003

Made - - - - 4th August 2003

Coming into force 25th August 2003

THE ROAD VEHICLES (AUTHORISATION OF
SPECIAL TYPES) (GENERAL) ORDER 2003

PART 1

GENERAL

Preliminary

1. Citation and commencement
2. Revocation

Interpretation

3. Interpretation: general
4. Interpretation: vehicles and their measurement
5. Interpretation: lateral projections of loads and their measurement
6. Interpretation: forward or rearward projections of loads and their measurement
7. Interpretation: axles, wheels, axle weights and wheel weights

Authorisation of certain vehicles for use on roads

8. Application of this Order
9. Authorisation of particular vehicles falling within recognised category of special vehicles

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to The Road Vehicles (Authorisation of Special Types) (General) Order 2003. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes

PART 2

SPECIAL VEHICLES FOR HAULAGE, LIFTING, ENGINEERING AND VEHICLE RECOVERY

10. Part 2 vehicles and Part 2 vehicle-combinations: recognised categories and defined terms
11. Part 2 vehicles and Part 2 vehicle-combinations: authorisation requirements

Length and width of vehicle and projections of load

12. Length: police notification and attendants
13. Forward and rearward projections: police notification
14. Forward and rearward projections: attendants
15. Width and lateral projections: police notification, Secretary of State notification and attendants
16. Visibility and marking of forward, rearward and lateral projections of loads etc

Weight of vehicle and load

17. Weight: police notification and road and bridge authority notification and indemnity
18. Use on bridges

PART 3

SPECIAL VEHICLES FOR AGRICULTURE

19. Agricultural vehicles: recognised categories and defined terms
20. Agricultural vehicles: authorisation requirements
21. General requirements as to construction and use
22. Restrictions on towing of trailers
23. Forward and rearward projections: police notification, Secretary of State notification and attendants
24. Width: police notification and attendants
25. Visibility and marking of forward, rearward and lateral projections
26. Track-laying agricultural motor vehicles: road and bridge authority notification and indemnity
27. Track-laying agricultural motor vehicles: use on bridges

PART 4

OTHER SPECIAL VEHICLES REQUIRING NOTIFICATIONS OR ATTENDANTS

Vehicles carrying loads of exceptional width

28. Motor vehicles or trailers carrying loads of exceptional width: recognised category
29. Motor vehicles or trailers carrying loads of exceptional width: authorisation requirements
30. Motor vehicles or trailers carrying loads of exceptional width: restrictions on width and speed
31. Motor vehicles or trailers carrying loads of exceptional width: requirements as to width

Local excavation vehicles

32. Local excavation vehicles: recognised category
33. Local excavation vehicles: authorisation requirements
34. Local excavation vehicles: requirements as to width
35. Local excavation vehicles: requirements as to weight

Vehicles for tests, trials or non-UK use etc

36. Vehicles for tests, trials or non-UK use etc: recognised category
37. Vehicles for tests, trials or non-UK use etc: authorisation requirements
38. Vehicles for tests, trials or non-UK use etc: requirements as to length
39. Vehicles for tests, trials or non-UK use etc: requirements as to width
40. Vehicles for tests, trials or non-UK use etc: requirements as to weight

Track-laying vehicles

41. Track-laying vehicles: recognised category
42. Track-laying vehicles: authorisation requirements
43. Track-laying vehicles: restrictions on use
44. Track-laying vehicles: consent of road authorities

Straddle carriers

45. Straddle carriers: recognised category
46. Straddle carriers: authorisation requirements
47. Straddle carriers: restrictions on use, speed and width
48. Straddle carriers: requirements as to length

PART 5

MISCELLANEOUS SPECIAL VEHICLES

49. Vehicles with moveable platforms
 50. Pedestrian-controlled road maintenance vehicles
 51. Motor vehicles used for cutting grass or trimming hedges
 52. Trailers used for cutting grass or trimming hedges
 53. Operational military vehicles
 54. Track-laying vehicles belonging to Royal National Lifeboat Institution
 55. Highway testing vehicles
 56. Vehicles propelled by natural gas
- Signature

SCHEDULE 1 — ABNORMAL INDIVISIBLE LOAD VEHICLES
PART 1 — DEFINED TERMS

General

1. In this Schedule— “AILV” means an abnormal indivisible load vehicle...

Meaning of abnormal indivisible load

2. In this Order “abnormal indivisible load” means a load that...

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to The Road Vehicles (Authorisation of Special Types) (General) Order 2003. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes

Meaning of abnormal indivisible load vehicle (AILV)

3. In this Order “abnormal indivisible load vehicle” means a vehicle...

Category 1, 2 or 3 AILVs or AILV-combinations

4. (1) For the purposes of this Schedule, an AILV or...
PART 2 — CONSTRUCTION

Wheeled vehicles

5. An AILV must be a wheeled vehicle.

Tyres

6. Every wheel of an AILV must be fitted with a...

Braking requirements

7. Paragraphs 8 to 12 apply to any AILV or AILV-combination...
8. (1) An AILV or AILV-combination must have a braking system...
9. (1) The following modifications apply for the purposes of each...
10. (1) The requirements of paragraphs 2.2.1.22 and 2.2.2.13 of Annex...
11. For the purposes of Type I tests conducted, in accordance...
12. The requirements of paragraph 2.1.3.2 of Annex II to Council...
PART 3 — PLATES AND SIGNS

Plates

13. (1) An AILV falling within Category 2 or 3 must...
14. Where an AILV-combination consists of two or more modules, each...

Signs

15. (1) Each AILV or AILV-combination must be fitted with—
PART 4 — CONDITIONS RELATING TO USE

General restrictions

16. An AILV must not be used on roads for, or...
17. (1) Except as stated in paragraph 19, an AILV that...
18. (1) Except as stated in paragraph 19, an AILV that...
19. At any time when an AILV-combination consisting of two or...

Restrictions on carriage of multiple loads

20. (1) An AILV or AILV-combination may carry only one abnormal...
21. (1) If the conditions specified in sub-paragraph (2) are satisfied,...
22. (1) If the conditions specified in sub-paragraph (2) are satisfied,...
23. An AILV, or AILV-combination, that falls within Category 1 or...

Maximum width

24. (1) An AILV or AILV-combination must not exceed the maximum...

Maximum length

25. (1) The maximum length of an AILV or AILV-combination used...

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to The Road Vehicles (Authorisation of Special Types) (General) Order 2003. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes

Restrictions relating to weight: all AILVs and AILV-combinations

26. No AILV or AILV-combination may exceed the restrictions as to...
27. (1) An AILV falling within Category 1 must not exceed...

Restrictions relating to weight: Category 1 AILVs and AILV-combinations

28. (1) The total weight of any Category 1 AILV carrying...
29. (1) The total weight of— (a) any Category 1 AILV...

Restrictions relating to weight: Category 2 AILVs and AILV-combinations

30. (1) The total weight of— (a) any Category 2 AILV...
31. (1) The total weight of— (a) any Category 2 AILV...

Restrictions relating to weight: Category 3 AILVs and AILV-combinations

32. (1) The total weight of— (a) any Category 3 AILV...
33. (1) The total weight of— (a) any Category 3 AILV...

Speed restrictions

34. (1) An AILV falling within Category 2 or 3 must...
PART 5 — APPLICATION OF REGULATIONS MADE UNDER SECTION
41 OF THE ROAD TRAFFIC ACT 1988

Category 1 AILVs and AILV-combinations

35. Any AILV or AILV-combination falling within Category 1 must, unless...

Category 2 or 3 AILVs and AILV-combinations

36. Any AILV or AILV-combination falling within Category 2 or 3...

AILVs manufactured before 1st October 1989

37. Instead of paragraphs 35 and 36, article 18(2)(p) of the...

SCHEDULE 2 — MOBILE CRANES
PART 1 — DEFINED TERMS

General

1. In this Schedule— “Goods Vehicles Type Approval Regulations” means the...

Meaning of mobile crane

2. (1) In this Order “mobile crane” means a motor vehicle...

Category A, B or C mobile cranes

3. (1) For the purposes of this Schedule, a mobile crane...
PART 2 — CONSTRUCTION

Wheeled vehicles

4. A mobile crane must be a wheeled vehicle.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to The Road Vehicles (Authorisation of Special Types) (General) Order 2003. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes

Tyres

5. Every wheel of a mobile crane must be fitted with...

Suspension

6. A mobile crane must have suspension on all axles.

Braking requirements

7. A mobile crane must be fitted with—
8. (1) A mobile crane is to be treated as being...
