

## SCHEDULE 4

### ROAD RECOVERY VEHICLES

#### PART 4

#### CONDITIONS RELATING TO USE

##### *Speed restrictions*

**16.**—(1) A road recovery vehicle must not, at any time when it is carrying or towing a disabled vehicle or vehicle-combination, travel at speeds exceeding—

- (a) 40 miles per hour on a motorway;
- (b) 30 miles per hour on a dual carriageway; or
- (c) 30 miles per hour on any other road.

(2) Nothing in this Schedule is to be taken to authorise travel at any speed in excess of any speed restriction imposed by or under any other enactment.
