

SCHEDULE 9

ROAD AND BRIDGE AUTHORITIES

PART 1

NOTICES

5.—(1) This paragraph applies in relation to the use on roads of a Part 2 vehicle-combination that includes an abnormal indivisible load vehicle that is a trailer.

(2) Where it is found impracticable to use any vehicle specified in a notice given under this Part, a vehicle of a similar type may be substituted if notice of the substitution is given to every authority to which the earlier notice was given.
