- (b) in the case of a National Savings Certificate—
 - (i) if purchased from an issue the sale of which ceased before 1st July last preceding the date on which the claim is made or treated as made, or the date of any subsequent review, at the price which it would have realised on that 1st July, had it been purchased on the last day of that issue;
 - (ii) in any other case, at its purchase price.

Calculation of capital outside the United Kingdom

41. Capital which a claimant possesses in a country outside the United Kingdom shall be calculated—

- (a) in a case where there is no prohibition in that country against the transfer to the United Kingdom of an amount equal to its current market or surrender value in that country, at that value;

less, where there would be expenses attributable to sale, 10 per cent. and the amount of any encumbrance secured on it.

Notional capital

42.—(1) A claimant shall be treated as possessing capital of which he has deprived himself for the purpose of securing entitlement to housing benefit or increasing the amount of that benefit except to the extent that the capital which he is treated as possessing is reduced in accordance with regulation 43 (diminishing notional capital rule).

(2) Without prejudice to the generality of paragraph (1), a person who disposes of a capital resource shall be regarded as—

- (a) depriving himself of it if the disposal was by way of gift to a third party;
- (b) not depriving himself of it if the disposal was for the purpose of—
 - (i) reducing or paying a debt owed by the claimant; or
 - (ii) purchasing goods or services if the expenditure was reasonable in the circumstances of the claimant's case.

(3) Where a claimant stands in relation to a company in a position analogous to that of a sole owner or partner in the business of that company, he shall be treated as if he were such sole owner or partner and in such a case—

- (a) the value of his holding in that company shall, notwithstanding regulation 39 (calculation of capital), be disregarded; and
- (b) he shall, subject to paragraph (4), be treated as possessing an amount of capital equal to the value or, as the case may be, his share of the value of the capital of that company and the foregoing provisions of this Chapter shall apply for the purposes of calculating that amount as if it were actual capital which he does possess.

(4) For so long as a claimant undertakes activities in the course of the business of the company, the amount which he is treated as possessing under paragraph (3) shall be disregarded.

(5) Where under this regulation a person is treated as possessing capital, the amount of that capital shall be calculated in accordance with the provisions of this Part as if it were actual capital which he does possess.

Diminishing notional capital rule

43.—(1) Where a claimant is treated as possessing capital under regulation 42(1) (notional capital), the amount which he is treated as possessing—

- (a) in the case of a week that is subsequent to—
 - (i) the relevant week in respect of which the conditions set out in paragraph (2) are satisfied; or
 - (ii) a week which follows that relevant week and which satisfies those conditions,

shall be reduced by an amount determined under paragraph (3);

- (b) in the case of a week in respect of which paragraph (1)(a) does not apply but where—
 - (i) that week is a week subsequent to the relevant week; and
 - (ii) that relevant week is a week in which the condition in paragraph (4) is satisfied,

shall be reduced by the amount determined under paragraph (4).

(2) This paragraph applies to a benefit week where the claimant satisfies the conditions that—

- (a) he is in receipt of housing benefit; and
 - (b) but for regulation 42(1), he would have received an additional amount of housing benefit in that week.
- (3) In a case to which paragraph (2) applies, the amount of the reduction for the purposes of paragraph (1)(a) shall be equal to the aggregate of—
- (a) the additional amount to which paragraph (2)(b) refers;
 - (b) where the claimant has also claimed state pension credit, the amount of any state pension credit or any additional amount of state pension credit to which he would have been entitled in respect of the benefit week to which paragraph (2) refers but for the application of regulation 21(1) of the State Pension Credit Regulations 2002⁽⁷²⁾ (notional capital);
 - (c) where the claimant has also claimed council tax benefit, the amount of any council tax benefit or any additional amount of council tax benefit to which he would have been entitled in respect of the benefit week to which paragraph (2) refers but for the application of regulation 34(1) of the Council Tax Benefit (General) Regulations 1992⁽⁷³⁾ (notional capital);
 - (d) where the claimant has also claimed a jobseeker's allowance, the amount of an income-based jobseeker's allowance to which he would have been entitled in respect of the benefit week to which paragraph (2) refers but for the application of regulation 113 of the Jobseeker's Allowance Regulations 1996⁽⁷⁴⁾ (notional capital).
- (4) Subject to paragraph (5), for the purposes of paragraph (1)(b) the condition is that the claimant would have been entitled to housing benefit in the relevant week but for regulation 42(1), and in such a case the amount of the reduction shall be equal to the aggregate of—
- (a) the amount of housing benefit to which the claimant would have been entitled in the relevant week but for regulation 42(1) and, for the purposes of this sub-paragraph, if the relevant week is a week to which regulation 69(5)(a) refers (calculation of weekly amounts), that amount shall be determined by dividing the amount of housing benefit to which he would have been so entitled by the number of days in that week for which he was liable to make payments in respect of the dwelling he occupies as his home and multiplying the quotient so obtained by 7;
 - (b) if the claimant would, but for regulation 21 of the State Pension Credit Regulations 2002, have been entitled to state pension credit in respect of the benefit week, within the meaning of regulation 1(2) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled and, for the purposes of this sub-paragraph, if the amount is in respect of a part-week, that amount shall be determined by dividing the amount of the state pension credit to which he would have been so entitled by the number equal to the number of days in the part-week and multiplying the quotient so obtained by 7;
 - (c) if the claimant would, but for regulation 34(1) of the Council Tax Benefit (General) Regulations 1992, have been entitled to council tax benefit or to an additional amount of council tax benefit in respect of the benefit week which includes the last day of the relevant week, the amount which is equal to—

- (i) in a case where no council tax benefit is payable, the amount to which he would have been entitled; or
 - (ii) in any other case, the amount equal to the additional amount of council tax benefit to which he would have been entitled;
- and, for the purposes of this sub-paragraph, if the amount is in respect of a part-week, that amount shall be determined by dividing the amount of the council tax benefit to which he would have been so entitled by the number equal to the number of days in the part-week and multiplying the quotient so obtained by 7;
- (d) if the claimant would, but for regulation 113 of the Jobseeker's Allowance Regulations 1996, have been entitled to an income-based jobseeker's allowance in respect of the benefit week, within the meaning of regulation 1(3) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled and, for the purposes of this sub-paragraph, if the amount is in respect of a part-week, that amount shall be determined by dividing the amount of the income-based jobseeker's allowance to which he would have been so entitled by the number equal to the number of days in the part-week and multiplying the quotient so obtained by 7.
- (5) The amount determined under paragraph (4) shall be re-determined under that paragraph if the claimant makes a further claim for housing benefit and the conditions in paragraph (6) are satisfied, and in such a case—
- (a) sub-paragraphs (a) to (d) of paragraph (4) shall apply as if for the words "relevant week" there were substituted the words "relevant subsequent week"; and
 - (b) subject to paragraph (7), the amount as re-determined shall have effect from the first week following the relevant subsequent week in question.
- (6) The conditions are that—
- (a) a further claim is made 26 or more weeks after—
 - (i) the date on which the claimant made a claim for housing benefit in respect of which he was first treated as possessing the capital in question under regulation 42(1);
 - (ii) in a case where there has been at least one re-determination in accordance with paragraph (5), the date on which he last made a claim for housing benefit which resulted in the weekly amount being re-determined; or
 - (iii) the date on which he last ceased to be entitled to housing benefit, whichever last occurred; and
 - (b) the claimant would have been entitled to housing benefit but for regulation 42(1).
- (7) The amount as re-determined pursuant to paragraph (5) shall not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount shall continue to have effect.
- (8) For the purposes of this regulation—
- (a) "part-week" in paragraph (4)(b) and (d) means—
 - (i) a period of less than a week which is the whole period for which state pension credit, or, as the case may be, an income-based jobseeker's allowance, is payable; and
 - (ii) any other period of less than a week for which either of those benefits is payable;

- (b) “part-week” in paragraph (4)(c) means a period of less than a week for which council tax benefit is allowed;
- (c) “relevant week” means the benefit week in which the capital in question of which the claimant has deprived himself within the meaning of regulation 42(1)—
 - (i) was first taken into account for the purpose of determining his entitlement to housing benefit; or
 - (ii) was taken into account on a subsequent occasion for the purpose of determining or re-determining his entitlement to housing benefit on that subsequent occasion and that determination or re-determination resulted in his beginning to receive, or ceasing to receive, housing benefit;and where more than one benefit week is identified by reference to heads (i) and (ii) of this sub-paragraph, means the later or latest such benefit week;
- (d) “relevant subsequent week” means the benefit week which includes the day on which the further claim or, if more than one further claim has been made, the last such claim was made.

Capital jointly held

44. Where a claimant and one or more other persons are beneficially entitled in possession to any capital asset, other than a capital asset disregarded under regulation 42(3), they shall be treated as if each of them were entitled in possession to the whole beneficial interest therein in an equal share and the foregoing provisions of this Chapter shall apply for the purposes of calculating the amount of capital which the claimant is treated as possessing as if it were actual capital which the claimant does possess.”

27.—(1) The amount to be deducted in respect of income tax under regulation 26(1)(b)(i), (2)(b)(i) or (8)(a)(i) (calculation of net profit of self-employed earners) shall be calculated on the basis of the amount of chargeable income and as if that income were assessable to income tax at the lower rate or, as the case may be, the lower rate and the basic rate of tax in the year of assessment in which the claim was made less only the personal relief to which the claimant is entitled under sections 257(1), 257A(1) and 259 of the Income and Corporation Taxes Act 1988(**138**) (personal relief) as is appropriate to his circumstances; but, if the assessment period is less than a year, the earnings to which the lower rate of tax is to be applied and the amount of the personal reliefs deductible under this paragraph shall be calculated on a pro rata basis.

(2) The amount to be deducted in respect of social security contributions under regulation 26(1)(b)(i), (2)(b)(ii) or (8)(a)(ii) shall be the total of—

- (a) the amount of Class 2 contributions payable under section 11(1) or, as the case may be, 11(3) of the Contributions and Benefits Act 1992 at the rate applicable at the date of claim except where the claimant’s chargeable income is less than the amount specified in section 11(4) of that Act (small earnings exception) for the tax year in which the date of claim falls; but if the assessment period is less than a year, the amount specified for that tax year shall be reduced pro rata; and
 - (b) the amount of Class 4 contributions (if any) which would be payable under section 15 of the Contributions and Benefits Act 1992 (Class 4 contributions recoverable under the Income Tax Acts) at the percentage rate applicable at the date of claim on so much of the chargeable income as exceeds the lower limit but does not exceed the upper limit of profits and gains applicable for the tax year in which the date of claim falls; but if the assessment period is less than a year, those limits shall be reduced pro rata.
- (3) In this regulation “chargeable income” means—

 - (b) in the case of employment as a child minder, one third of the earnings of that employment.

Other income

Notional income

28.—(1) A claimant who has attained the qualifying age for state pension credit shall be treated as possessing—

- (a) the amount of any retirement pension income—

- (i) for which no claim has been made; and
 - (ii) to which he might expect to be entitled if a claim for it were made;
- (b) income from an occupational pension scheme which the claimant elected to defer.
- (2) Where a person, aged not less than 60, is a person entitled to money purchase benefits under an occupational pension scheme or a personal pension scheme, or is a party to, or a person deriving entitlement to a pension under, a retirement annuity contract, and—
- (a) he fails to purchase an annuity with the funds available in that scheme where—
 - (i) he defers, in whole or in part, the payment of any income which would have been payable to him by his pension fund holder;
 - (ii) he fails to take any necessary action to secure that the whole of any income which would be payable to him by his pension fund holder upon his applying for it, is so paid; or
 - (iii) income withdrawal is not available to him under that scheme; or
 - (b) in the case of a retirement annuity contract, he fails to purchase an annuity with the funds available under that contract,

the amount of any income foregone shall be treated as possessed by him, but only from the date on which it could be expected to be acquired were an application for it to be made.

(3) The amount of any income foregone in a case to which either head (i) or (ii) of paragraph (2)(a) applies shall be the maximum amount of income which may be withdrawn from the fund and shall be determined by the relevant authority which shall take account of information provided by the pension fund holder in accordance with regulation 63(5) (evidence and information).

(4) The amount of any income foregone in a case to which either head (iii) of paragraph (2)(a) or paragraph (2)(b) applies shall be the income that the claimant could have received without purchasing an annuity had the funds held under the relevant scheme or retirement annuity contract been held under a personal pension scheme or occupational pension scheme where income withdrawal was available and shall be determined in the manner specified in paragraph (3).

(5) In paragraph (2), “money purchase benefits” has the meaning it has in the Pension Schemes Act 1993(139).

(6) A person shall be treated as possessing income of which he has deprived himself for the purpose of securing entitlement to council tax benefit or increasing the amount of that benefit.

(7) Where a claimant is in receipt of any benefit (other than council tax benefit) under the benefit Acts and the rate of that benefit is altered with effect from a date on or after 1st April in any year but not more than 14 days thereafter, the relevant authority shall treat the claimant as possessing such benefit at the altered rate from either 1st April or the first Monday in April in that year, whichever date the relevant authority shall select to apply in its area, to the date on which the altered rate is to take effect.

Income paid to third parties

29.—(1) Any payment of income, other than a payment specified in paragraph (2), to a third party in respect of the claimant shall be treated as possessed by the claimant.

(2) Paragraph (1) shall not apply in respect of a payment of income made under an occupational pension scheme or in respect of a pension or other periodical payment made under a personal pension scheme where—

- (a) a bankruptcy order has been made in respect of the person in respect of whom the payment has been made or, in Scotland, the estate of that person is subject to sequestration or a judicial factor has been appointed on that person's estate under section 41 of the Solicitors (Scotland) Act 1980(140);
- (b) the payment is made to the trustee in bankruptcy or any other person acting on behalf of the creditors; and

Capital limit

30. For the purposes of section 134(1) of the Contributions and Benefits Act 1992 as it applies to council tax benefit (no entitlement to benefit if capital exceeds a prescribed amount), the prescribed amount is £16,000.

Calculation of capital

31.—(1) For the purposes of Part VII of the Contributions and Benefits Act 1992 as it applies to council tax benefit, the capital of a claimant to be taken into account shall, subject to paragraph (2), be the whole of his capital calculated in accordance with this Part.

(2) There shall be disregarded from the calculation of the claimant's capital under paragraph (1) any capital, where applicable, specified in Schedule 5ZA.

(3) A claimant's capital shall be treated as including any payment made to him by way of arrears of—

- (a) child tax credit;
- (b) working tax credit;
- (c) state pension credit,

if the payment was made in respect of a period for the whole or part of which council tax benefit was allowed before those arrears were paid.

Calculation of capital in the United Kingdom

32. Capital which a claimant possesses in the United Kingdom shall be calculated—

- (a) except in a case to which sub-paragraph (b) applies, at its current market or surrender value less—
 - (i) where there would be expenses attributable to sale, 10 per cent.; and
 - (ii) the amount of any encumbrance secured on it;
- (b) in the case of a National Savings Certificate—
 - (i) if purchased from an issue the sale of which ceased before 1st July last preceding the date on which the claim is made or treated as made, or the

- date of any subsequent review, at the price which it would have realised on that 1st July, had it been purchased on the last day of that issue;
- (ii) in any other case, at its purchase price.

Calculation of capital outside the United Kingdom

33. Capital which a claimant possesses in a country outside the United Kingdom shall be calculated—

- (a) in a case where there is no prohibition in that country against the transfer to the United Kingdom of an amount equal to its current market or surrender value in that country, at that value;
- (b) in a case where there is such a prohibition, at the price which it would realise if sold in the United Kingdom to a willing buyer,

less, where there would be expenses attributable to sale, 10 per cent. and the amount of any encumbrance secured on it.

Notional capital

34.—(1) A claimant shall be treated as possessing capital of which he has deprived himself for the purpose of securing entitlement to council tax benefit or increasing the amount of that benefit except to the extent that the capital which he is treated as possessing is reduced in accordance with regulation 35 (diminishing notional capital rule).

(2) Without prejudice to the generality of paragraph (1), a person who disposes of a capital resource shall be regarded as—

- (a) depriving himself of it if the disposal was by way of gift to a third party;
- (b) not depriving himself of it if the disposal was for the purpose of—
 - (i) reducing or paying a debt owed by the claimant; or
 - (ii) purchasing goods or services if the expenditure was reasonable in the circumstances of the claimant's case.

(3) Where a claimant stands in relation to a company in a position analogous to that of a sole owner or partner in the business of that company, he shall be treated as if he were such sole owner or partner and in such a case—

- (a) the value of his holding in that company shall, notwithstanding regulation 31 (calculation of capital), be disregarded; and
- (b) he shall, subject to paragraph (4), be treated as possessing an amount of capital equal to the value or, as the case may be, his share of the value of the capital of that company and the foregoing provisions of this Chapter shall apply for the purposes of calculating that amount as if it were actual capital which he does possess.

(4) For so long as a claimant undertakes activities in the course of the business of the company, the amount which he is treated as possessing under paragraph (3) shall be disregarded.

(5) Where under this regulation a person is treated as possessing capital, the amount of that capital shall be calculated in accordance with the provisions of this Part as if it were actual capital which he does possess.

Diminishing notional capital rule

35.—(1) Where a claimant is treated as possessing capital under regulation 34(1) (notional capital), the amount which he is treated as possessing—

- (a) in the case of a week that is subsequent to—
 - (i) the relevant week in respect of which the conditions set out in paragraph (2) are satisfied; or
 - (ii) a week which follows that relevant week and which satisfies those conditions,

shall be reduced by an amount determined under paragraph (3);

- (b) in the case of a week in respect of which paragraph (1)(a) does not apply but where—
 - (i) that week is a week subsequent to the relevant week; and
 - (ii) that relevant week is a week in which the condition in paragraph (4) is satisfied,

shall be reduced by the amount determined under paragraph (4).

(2) This paragraph applies to a benefit week where the claimant satisfies the conditions that—

- (a) he is in receipt of council tax benefit; and
- (b) but for regulation 34(1), he would have received an additional amount of council tax benefit in that week.

(3) In a case to which paragraph (2) applies, the amount of the reduction for the purposes of paragraph (1)(a) shall be equal to the aggregate of—

- (a) the additional amount to which paragraph (2)(b) refers;
- (b) where the claimant has also claimed state pension credit, the amount of any state pension credit or any additional amount of state pension credit to which he would have been entitled in respect of the benefit week to which paragraph (2) refers but for the application of regulation 21(1) of the State Pension Credit Regulations 2002(**141**) (notional capital);
- (c) where the claimant has also claimed housing benefit, the amount of any housing benefit or any additional amount of housing benefit to which he would have been entitled in respect of the whole or part of that benefit week to which paragraph (2) refers but for the application of regulation 42(1) of the Housing Benefit (General) Regulations 1987(**142**) (notional capital) as it applies in the case of a person who has attained the qualifying age for state pension credit;
- (d) where the claimant has also claimed a jobseeker's allowance, the amount of an income-based jobseeker's allowance to which he would have been entitled in respect of the benefit week to which paragraph (2) refers but for the application of regulation 113 of the Jobseeker's Allowance Regulations 1996(**143**) (notional capital).

(4) Subject to paragraph (5), for the purposes of paragraph (1)(b), the condition is that the claimant would have been entitled to council tax benefit in the relevant week but for regulation 34(1), and in such a case the amount of the reduction shall be equal to the aggregate of—

(141)S.I. 2002/1792.

(142)S.I. 1987/1971 as having effect in accordance with Part 2 of these Regulations.

(143)S.I. 1996/207.

- (a) the amount of council tax benefit to which the claimant would have been entitled in the relevant week but for regulation 34(1); and for the purposes of this sub-paragraph if the amount is in respect of a part-week that amount shall be determined by dividing the amount of council tax benefit to which he would have been so entitled by the number equal to the number of days in the part-week and multiplying the quotient so obtained by 7;
 - (b) if the claimant would, but for regulation 21 of the State Pension Credit Regulations 2002, have been entitled to state pension credit in respect of the benefit week, within the meaning of regulation 1(2) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled and, for the purposes of this sub-paragraph, if the amount is in respect of a part-week, that amount shall be determined by dividing the amount of the state pension credit to which he would have been so entitled by the number equal to the number of days in the part-week and multiplying the quotient so obtained by 7;
 - (c) if the claimant would, but for regulation 42(1) of the Housing Benefit (General) Regulations 1987, have been entitled to housing benefit or to an additional amount of housing benefit in respect of the benefit week which includes the last day of the relevant week, the amount which is equal to—
 - (i) in a case where no housing benefit is payable, the amount to which he would have been entitled; or
 - (ii) in any other case, the amount equal to the additional amount of housing benefit to which he would have been entitled;
 and, for the purposes of this sub-paragraph, if the amount is in respect of a part-week, that amount shall be determined by dividing the amount of the housing benefit to which he would have been so entitled by the number equal to the number of days in the part-week and multiplying the quotient so obtained by 7;
 - (d) if the claimant would, but for regulation 113 of the Jobseeker's Allowance Regulations 1996, have been entitled to an income-based jobseeker's allowance in respect of the benefit week, within the meaning of regulation 1(3) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled and, for the purposes of this sub-paragraph, if the amount is in respect of a part-week, that amount shall be determined by dividing the amount of the income-based jobseeker's allowance to which he would have been so entitled by the number equal to the number of days in the part-week and multiplying the quotient so obtained by 7.
- (5) The amount determined under paragraph (4) shall be re-determined under that paragraph if the claimant makes a further claim for council tax benefit and the conditions in paragraph (6) are satisfied, and in such a case—
- (a) sub-paragraphs (a) to (d) of paragraph (4) shall apply as if for the words “relevant week” there were substituted the words “relevant subsequent week”; and
 - (b) subject to paragraph (7), the amount as re-determined shall have effect from the first week following the relevant subsequent week in question.
- (6) The conditions are that—
- (a) a further claim is made 26 or more weeks after—
 - (i) the date on which the claimant made a claim for council tax benefit in respect of which he was first treated as possessing the capital in question under regulation 34(1);

- (ii) in a case where there has been at least one re-determination in accordance with paragraph (5), the date on which he last made a claim for council tax benefit which resulted in the weekly amount being re-determined; or
 - (iii) the date on which he last ceased to be entitled to council tax benefit, whichever last occurred; and
 - (b) the claimant would have been entitled to council tax benefit but for regulation 34(1).
- (7) The amount as re-determined pursuant to paragraph (5) shall not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount shall continue to have effect.
- (8) For the purposes of this regulation—
- (a) “part-week” in paragraph (4)(a) means a period of less than a week for which council tax benefit is allowed;
 - (b) “part-week” in paragraph (4)(b) and (d) means—
 - (i) a period of less than a week which is the whole period for which state pension credit, or, as the case may be, an income-based jobseeker’s allowance, is payable; and
 - (ii) any other period of less than a week for which either of those benefits is payable;
 - (c) “part-week” in paragraph (4)(c) means a period of less than a week for which housing benefit is payable;
 - (d) “relevant week” means the benefit week or part-week in which the capital in question of which the claimant has deprived himself within the meaning of regulation 34(1)—
 - (i) was first taken into account for the purpose of determining his entitlement to council tax benefit; or
 - (ii) was taken into account on a subsequent occasion for the purpose of determining or re-determining his entitlement to council tax benefit on that subsequent occasion and that determination or re-determination resulted in his beginning to receive, or ceasing to receive, council tax benefit;and where more than one benefit week or part-week is identified by reference to heads (i) and (ii) of this sub-paragraph the later or latest such benefit week or, as the case may be, the later or latest such part-week;
 - (d) “relevant subsequent week” means the benefit week or part-week which includes the day on which the further claim or, if more than one further claim has been made, the last such claim was made.

Capital jointly held

36. Where a claimant and one or more other persons are beneficially entitled in possession to any capital asset, other than a capital asset disregarded under regulation 34(3), they shall be treated as if each of them were entitled in possession to the whole beneficial interest therein in an equal share and the foregoing provisions of this Chapter shall apply for the purposes of calculating the amount of capital which the claimant is treated as possessing as if it were actual capital which the claimant does possess.”

(2) This regulation is only satisfied if the Secretary of State has certified to the relevant authority that the claimant’s partner has actually claimed state pension credit or that—

(2) Where the change of circumstance is that an increase in the amount of state pension credit payable to the claimant results in an increase in the rate at which housing benefit is payable to him, the change shall take effect from the first day of the benefit week in which state pension credit becomes payable at the increased rate.

(3) Where the change of circumstance is that the claimant’s state pension credit is reduced and in consequence the rate of housing benefit payable to the claimant reduces—

(6) Where the change of circumstance is that a guarantee credit has been awarded to the claimant or his partner and this has resulted in an increase in the rate of housing benefit payable to the claimant, the change shall take effect from the first day of the benefit week next following the date in respect of which the guarantee credit is first payable.

(7) Where a change of circumstances would, but for this paragraph, take effect under the preceding provisions of this regulation within the 4 week period specified in regulation 62B (continuing payments where state pension credit claimed), that change shall take effect on the first day of the first benefit week to commence after the expiry of the 4 week period.

(c) in any other case, the anniversary of the date in respect of which the claimant's entitlement to council tax benefit first began.

(13) If in any particular case the date determined under sub-paragraphs (a) to (c) of sub-paragraph (12) is not the first day of a benefit week, the anniversary date in that case shall be the first day of the next benefit week to commence after the date determined under those paragraphs.”.

(6) After regulation 59A(149), insert—

(3) Where the change of circumstance is that the claimant's state pension credit has been reduced and in consequence the rate of council tax benefit allowed to the claimant reduces—

- (a) in a case where the claimant's state pension credit is reduced because the claimant failed to notify the Secretary of State timeously of the change of circumstances, the change shall take effect from the first day of the benefit week from which state pension credit was reduced; or
- (b) in any other case, the change shall take effect from the first day of the benefit week next following the date on which the local authority receives notification from the Secretary of State of the change.
