EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations further amend the Motor Vehicles (Driving Licences) Regulations 1999 (S.I.1999/2864; “the principal Regulations”) by the inclusion of a requirement for a candidate undertaking a unitary test for a licence to drive vehicles in vehicle category F, G, H or K to be able to demonstrate on one occasion, and describe on another, a safety check on a component of the vehicle being of a class in respect of which he is seeking a licence.

Regulation 2 makes a minor drafting improvement to Schedule 8 to the principal Regulations for the sake of the internal linguistic consistency of those Regulations.
