The Justification of Practices Involving  
Ionising Radiation Regulations 2004

PART 3

*Applications and Determinations*

**Review of existing practices**

**10.**—(1) A person may apply to the Justifying Authority to review an existing class or type of practice if one of the conditions set out in paragraph (4) is satisfied.

(2) Having received an application under paragraph (1), the Justifying Authority may, subject to regulation 14(2), consider it and may make a new justification decision in respect of that class or type of practice.

(3) The Justifying Authority may, subject to regulation 14(2), without receiving an application under paragraph (1), review an existing class or type of practice if one of the conditions set out in paragraph (4) is satisfied and make a new justification decision in respect of that class or type of practice.

(4) The conditions referred to in paragraphs (1) and (3) above are that—

- (a) new and important evidence about its efficacy or consequences is acquired; or
- (b) there has been a justification decision that it is not justified.
