EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Social Fund Winter Fuel Payment Regulations 2000 (S.I.2000/729) so as to make provision consequent upon the introduction of state pension credit. In particular, they make provision in respect of eligibility for receipt of a winter fuel payment and as to the size of that payment where a single person or a member of a couple is in receipt of state pension credit.

A full regulatory impact assessment has not been produced for this instrument as it has no impact on the costs of business.
