EXPLANATORY NOTE

(This note is not part of the Order)

These Regulations revoke the Sea Fishing (Enforcement of Community Satellite Monitoring Measures) Order 2000 Amendment Regulations 2001 in so far as they extend to England.

The 2001 Regulations amended the Sea Fishing (Enforcement of Community Satellite Monitoring Measures) Order 2000 (SI 2000/181) which is itself being replaced. The 2000 Order provides for the enforcement of Articles 3 and 28c of Council Regulation (EEC) No 2847/93 (O.J. No. L261, 20.10.93, p.1.) establishing a control system applicable to the common fisheries policy and Commission Regulation (EC) 1489/97 (O.J. No. L202, 30.07.97, p.18.) laying down detailed rules for the application of Council Regulation (EEC) No 2847/93 as regards satellite-based vessel monitoring systems. The amendments in the 2001 Regulations were made in order to improve the effectiveness of the monitoring procedures required by that legislation.
