EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend Schedule 3 to the Income Support (General) Regulations 1987 (S.I.1987/1967), as substituted and amended, with respect to the standard rate of interest applicable to a loan which qualifies for income support under that Schedule to those Regulations. The new rate is 5.33 per cent. (regulation 2). The Regulations also revoke, with a saving provision, regulations which made the previous amendment to that standard rate of interest (regulation 3).

A full regulatory impact assessment has not been produced for this instrument as it has no impact on the costs of business.
