SCHEDULE 5

OTHER CONTRACTUAL TERMS

PART 2

PATIENTS

Closure of lists of patients

- **28.**—(1) A contractor which wishes to close its list of patients shall notify the Primary Care Trust in writing to that effect.
- (2) Within a period of 7 days beginning with the date of receipt of the notification referred to in sub-paragraph (1), or, if that is not reasonably practicable, as soon as is practicable thereafter, the Primary Care Trust shall enter into discussions with the contractor concerning the support which the Primary Care Trust may give the contractor, or other changes which the Primary Care Trust or the contractor may make, which would enable the contractor to keep its list of patients open.
- (3) In the discussions referred to in sub-paragraph (2), both parties shall use reasonable endeavours to achieve the aim of keeping the contractor's list of patients open.
- (4) The discussions mentioned in sub-paragraph (2) shall be completed within a period of 28 days beginning with the date of the Primary Care Trust's receipt of the notification referred to in sub-paragraph (1), or within such longer period as the parties may agree.
- (5) If, following the discussions mentioned in sub-paragraph (2), the Primary Care Trust and the contractor reach agreement that the contractor's list of patients should remain open, the Primary Care Trust shall send full details of the agreement in writing to the contractor.
- (6) The Primary Care Trust and the contractor shall comply with the terms of an agreement reached as mentioned in sub-paragraph (5).
 - (7) If, following the discussions mentioned in sub-paragraph (2)—
 - (a) the Primary Care Trust and the contractor reach agreement that the contractor's list of patients should close; or
 - (b) the Primary Care Trust and the contractor fail to reach agreement and the contractor still wishes to close its list of patients,

the contractor shall send a closure notice to the Primary Care Trust.

- (8) A closure notice shall be submitted in the form specified in Schedule 8, and shall include the following details which (in a case falling within sub-paragraph (7)(a)) have been agreed between the parties or (in a case falling within sub-paragraph (7)(b)) are proposed by the contractor—
 - (a) the period of time (which may not exceed 12 months) for which the contractor's list of patients will be closed;
 - (b) the current number of the contractor's registered patients;
 - (c) the number of registered patients (lower than the current number of such patients, and expressed either in absolute terms or as a percentage of the number of such patients specified pursuant to paragraph (b)) which, if that number were reached, would trigger the re-opening of the contractor's list of patients;
 - (d) the number of registered patients (expressed either in absolute terms or as a percentage of the number of such patients specified pursuant to paragraph (b)) which, if that number were reached, would trigger the re-closure of the contractor's list of patients; and

- (e) any withdrawal from or reduction in provision of any service which had previously been provided under the agreement.
- (9) The Primary Care Trust shall forthwith acknowledge receipt of the closure notice in writing to the contractor.
- (10) Before the Primary Care Trust reaches a decision as to whether to approve or reject the closure notice under sub-paragraph (12), the Primary Care Trust and the contractor may enter into further discussions concerning the details of the closure notice referred to in sub-paragraph (8), with a view to reaching agreement; and, in particular, if the parties are unable to reach agreement regarding the period of time for which the contractor's list of patients will be closed, that period shall be 12 months.
- (11) A contractor may not withdraw a closure notice for a period of three months beginning with the date on which the Primary Care Trust has received the notice, unless the Primary Care Trust has agreed otherwise in writing.
- (12) Within a period of 14 days beginning with the date of receipt of the closure notice, the Primary Care Trust shall—
 - (a) approve the closure notice; or
 - (b) reject the closure notice,

and shall notify the contractor of its decision in writing as soon as possible.

(13) Approval of the closure notice under sub-paragraph (12)(a) includes approval of the details specified in accordance with sub-paragraph (8) (or, where those details are revised following discussions under sub-paragraph (10), approval of those details as so revised).
