The Energy Administration Rules 2005

PART 11

COURT PROCEDURE AND PRACTICE

CHAPTER 1

Applications

Use of reports

102.—(1) A report may be filed in court instead of an affidavit, unless the application involves other parties or the court otherwise orders, by the energy administrator.

(2) In any case where a report is filed instead of an affidavit, the report shall be treated for the purpose of Rule 101(1) and any hearing before the court as if it were an affidavit.
