Article 2(1)

THE RAILWAYS

In the County of Somerset, Village of Cranmore, near Shepton Mallet:

Railway No. 1—An existing railway (637 metres in length), consisting of part of the former Wells/Witham Branch Line (now known as the East Somerset Railway Line), commencing at a point at mile post 6 and extending east past Cranmore Station and terminating at a point 10.9 metres west of the public overbridge which carries a public highway known as Piers Road and which is located at Ordnance Survey grid ST668431.

Railway No. 2—An existing railway consisting of two sidings forming part of the Wells/Witham Branch Line (now known as the East Somerset Railway Line), commencing at a junction with Railway No. 1 at a point 406 metres east of its western most point, and extending in a generally north eastern direction (the northern most siding being 169 metres in length and the southern most siding being 98 metres in length).
