The Tuberculosis (England) Order 2005

Notification of disease in carcasses

6.—(1) Any person who—

- (a) has in his possession or under his charge on any premises any carcase which is affected with or suspected of being affected with tuberculosis;
- (b) in the course of his practice as a veterinary surgeon, examines any such carcase; or
- (c) in the course of his duties, inspects any such carcase for any purpose;

shall, immediately he suspects the carcase may be affected with tuberculosis, notify the Divisional Veterinary Manager.

(2) A person who has in his possession or under his charge a carcase to which paragraph (1) applies shall detain it on the premises where it then is until it has been examined by a veterinary inspector.

(3) For the purpose of paragraphs (1) and (2) above, “carcase” means the carcase of any bovine animal or other farmed or pet mammal.
