

EXPLANATORY MEMORANDUM TO
THE PENSION PROTECTION FUND (REVIEWABLE MATTERS)
REGULATIONS 2005

2005 No.600

1. This explanatory memorandum has been prepared by the Department for Work and Pensions and is laid before Parliament by Command of Her Majesty.

2. **Description**
 - 2.1 The Pension Protection Fund (PPF) is a new non-departmental public body, starting in April 2005, and is established under the provisions of the Pensions Act 2004. The PPF will protect members of eligible defined benefit occupational pension schemes (including the defined benefit element of hybrid schemes) by paying compensation in lieu of pension scheme rights if the employer has a qualifying insolvency event and there are insufficient assets in the pension scheme to cover the PPF levels of compensation.
 - 2.2 Schedule 9 to the Act lists the decisions by the PPF Board that can be disputed. The attached regulations amend and modify Schedule 9 in respect of a number of further matters that have been identified during the course of preparing regulations made under the Pensions Act.
 - 2.3 The regulations also prescribe the time periods that need to elapse before a dispute can be made regarding the PPF's *failure* to reach a decision.

3. **Matters of special interest to the Joint Committee on Statutory Instruments**
 - 3.1 None

4. **Legislative Background**
 - 4.1 This is the first use of the power under section 206 of the Pensions Act 2004.
 - 4.2 The PPF opens for business on 6th April 2005. These regulations need to come into force on the same date, to ensure that the required mechanisms are in place for dealing with any disputes regarding decisions made by the PPF Board, and the Board's failure to reach decisions.

5. **Extent**
 - 5.1 This instrument applies to Great Britain.

6. European Convention on Human Rights

6.1 The Minister of State for Pensions has made the following statement regarding Human Rights:

In the view of Malcolm Wicks MP, the Minister of State for Pensions, the provisions of the regulations are compatible with the Convention Rights.

7. Policy Background

7.1 The PPF will provide members of eligible defined benefit occupational pension schemes (including the defined benefit element of hybrid schemes) with compensation if their employer becomes insolvent on or after 6th April 2005, if there are insufficient assets in the pension scheme to cover the PPF levels of compensation.

7.2 Section 207 of the Pensions Act provides for a two stage internal review process by the Board of the reviewable matters listed in Schedule 9. If the dispute remains unresolved at the end of the two stage review, the matter may be referred to the independent PPF Ombudsman.

7.3 The effect of the section 206 regulations is twofold. First, they insert new “reviewable matters” into Schedule 9 of the Pensions Act 2004.

7.4 Second, where the Board fails to reach a decision, the regulations prescribe the period that needs to elapse before a person can request a review regarding the Board’s failure to reach a decision.

7.5 There is no requirement to consult on these regulations, and no consultation has been undertaken. There is no need to refer the regulations to SSAC as the PPF is a NDPB and does not provide Social Security benefits.

8. Impact

8.1 A Regulatory Impact Assessment has not been prepared for this Instrument as it has no impact on business, charities or voluntary bodies.

8.2 We do not envisage that the regulations will have any impact on the public sector.
