Regulation 4 amends certain provisions of the Entry Rules Regulations and corrects a defective reference.

Regulation 5 similarly amends the Multi-employer Regulations.

Regulation 6 amends regulation 19 of the Review and Reconsideration Regulations to provide that the Reconsideration Committee must notify the Board of the Pension Protection Fund as well as any interested persons when it decides to reconsider a reviewable matter otherwise than on an application. It also makes further minor amendments including those consequential on the amended regulation 19.

As these Regulations are made before the expiry of the period of six months beginning with the coming into force of the provisions of the Pensions Act 2004 by virtue of which they are made or, in the case of the amendment to the Employer Debt Regulations, on which they are consequential, the requirement for the Secretary of State to consult such persons as he considers appropriate does not apply.

A full regulatory impact assessment has not been produced for this instrument as it has no impact on the costs of business.

This Statutory Instrument has been made in consequence of defects in S.I. 2005/441, 590, 652, 669, 670, 672, 678 and 931, and is being issued free of charge to all known recipients of those Statutory Instruments.
