- (i) agrees to carry out any of the activities specified in sub-paragraphs (a) to (h), and

where there is more than one warranty provider in relation to a particular new homes warranty, “warranty provider” refers to any of those persons.

New homes warranties – general

- 2.—(1) A new homes warranty complies with this Schedule if it—
- (a) is made under the arrangements described in Part 2; and
 - (b) contains, as a minimum, the terms described in Part 3, although the term described in paragraph 10 must only be included where the new homes warranty makes provision for a developer’s obligations to the policy-holder.
- (2) Any warranty dealing with any defects in the design, building, or completion of the property, which contains—
- (a) terms additional to those described in Part 3 of this Schedule (without excluding or limiting them); or
 - (b) terms more favourable to the policy-holder than those described in Part 3,
- may be regarded as complying with this Schedule.
- (3) A new homes warranty may be regarded as complying with this Schedule if it contains—
- (a) any of the limits described in Part 4; or
 - (b) any limits of a type described in that Part, but which are more favourable to the policy-holder.
- (4) Any new homes warranty which contains terms less favourable to the policy-holder than those described in Part 4 does not comply with this Schedule.
- (5) The undertakings described in Part 3 of this Schedule must be made in the new homes warranty by a warranty provider.

PART 2

Arrangements for entering into specific new homes warranties

Existence of insurance and regulation of warranty provider

- 3.—(1) Any liability of any type arising under a new homes warranty which complies with this Schedule must be the subject of a contract of insurance against such risk to be effected by and to be carried out by persons so authorised for the purposes of the Financial Services and Markets Act 2000(2).
- (2) Where a warranty provider—
- (a) effects the contract of insurance which is the subject of the new homes warranty;
 - (b) carries out such a contract;
 - (c) deals with such a contract as an agent;
 - (d) makes arrangements for another person (whether as principal or agent) to buy, sell, subscribe for or underwrite such a contract;
 - (e) makes arrangements with a view to a person who participates in such arrangements buying, selling, subscribing for or underwriting such a contract (whether as principal or agent);

(2) 2000 c. 8. Section 33 of that Act defines “authorised persons” for the purposes of the Act. Under section 19 of that Act, no person may carry on a regulated activity in the United Kingdom or purport to do so unless he is an authorised person or an exempt person, and section 31 defines authorised persons. Under section 22(1), an activity is a regulated activity for the purposes of that Act if it is an activity described in an order made by the Treasury and the Financial Services and Markets Act 2000 (Regulated Activities) Order 2001 (S.I.2001/544) was made accordingly. Article 10(2) of that Order provides that carrying out a contract of insurance as a principal is a described kind of activity. Articles 21, 25(1), 25(2), 39A, 53 and 64 specify other relevant activities.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

- (f) assists in the administration and performance of such a contract;
 - (g) advises a person (in that person's capacity as a policy-holder or potential policy-holder) on the merits of such a contract; or
 - (h) agrees to carry out the activities specified in sub-paragraphs (a) to (g),
- it must be authorised to do so under the Financial Services and Markets Act 2000.

Cover notes

4. Prior to the commencement date, a warranty provider must provide the potential policy-holder with a document confirming that—
- (a) it has conducted a final inspection under paragraph 9(a) of this Schedule; and
 - (b) it intends to enter into the new homes warranty with the potential policy-holder.

Commencement date

5. The commencement date for the new homes warranty must be no earlier than the day the sale of the property is completed.

PART 3

Minimum cover for specific new homes warranties

Warranty period

6. The warranty period for the new homes warranty must be at least 10 years from the commencement date.

Certificate of cover and copy of new homes warranty

7. Under the new homes warranty, a warranty provider must provide the policy-holder with—
- (a) a certificate confirming the existence of the new homes warranty and the commencement date; and
 - (b) a document setting out all the terms of the new homes warranty.

Transfer of cover to future owners

8. The new homes warranty must be capable of being transferred during the warranty period—
- (a) by a current policy-holder to a subsequent owner of the property; and
 - (b) no payment or consideration in kind must be charged to anyone for doing so.

Cover for design and building

9. Under the new homes warranty, a warranty provider must undertake that—
- (a) it has conducted reasonable checks and inspections during the building or conversion of the property and a final inspection of the property, all for the purposes of ensuring—
 - (i) that the property is physically complete; and
 - (ii) it is designed and finished to a reasonable standard; and
 - (b) the inspections described in sub-paragraph (a) lead a warranty provider to believe that—

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

- (i) most of such structural features as exist at the property will withstand normal residential wear and tear for 60 years from the commencement date, if properly maintained; and
- (ii) the building of the property meets all the statutory requirements which apply at the commencement of building work and, in particular, those of the Building Act 1984(3) and the Building Regulations 2000(4).

Developer cover

10.—(1) This paragraph applies—

- (a) where the new homes warranty makes provision for a developer’s obligations to the policy-holder in respect of the matters described in paragraphs 11(1)(a), 11(1)(b) and 12(2)(a) of this Schedule, or any other any defects or damage to the property; and
 - (b) such a defect is apparent or such damage occurs at any time during the warranty period.
- (2) Under such a new homes warranty, a warranty provider must undertake that—
- (a) a warranty provider will meet all such obligations if the developer fails to do so (or no longer exists and has no successor), or provide financial compensation in respect of the obligations;
 - (b) it will provide a resolution or conciliation service—
 - (i) the aim of which is to resolve any disputes between the policy-holder and the developer relating to such obligations and their timely fulfilment; and
 - (ii) for which no payment or consideration in kind is charged to the policy-holder;
 - (c) if the resolution or conciliation service described in paragraph (b) recommends that remedial work to the property should be conducted by the developer, a warranty provider will use all reasonable endeavours to ensure that the developer carries out such work;
 - (d) if the developer fails to carry out such remedial work (or no longer exists and has no successor), a warranty provider will carry out the work instead, or provide financial compensation for it; and
 - (e) if the resolution or conciliation service described in paragraph (b) does not prove satisfactory to the policy-holder, it will make available to the policy-holder another form of resolution or conciliation service which is independent to that warranty provider.

Structural defects cover to property and common parts throughout the new homes warranty

11.—(1) Under the new homes warranty, a warranty provider must undertake that it or the developer will put right, arrange to put right or provide financial compensation for—

- (a) any actual destruction of or damage to the property caused by any defects—
 - (i) of such structural features as exist at the property and common parts; and
 - (ii) occurring during the first 10 years of the warranty period; and
- (b) any conditions caused by defects in the design, workmanship, materials or other components—
 - (i) of such structural features as exist at the property and common parts;

(3) c. 29.

(4) 2000/2531. The Building Regulations 2000 were amended by the Building and Approved Inspectors (Amendment) Regulations 2006 (S.I. 2006/652), the Building (Amendment) (No. 3) Regulations 2004 (S.I. 2004/3210), the Building (Amendment) Regulations 2004 (S.I. 2004/1465), the Building (Amendment) Regulations 2003 (S.I. 2003/2692), the Building (Amendment) (No. 2) Regulations 2002 (S.I. 2002/2871), the Building (Amendment) Regulations 2002 (S.I. 2002/0440) and the Building (Amendment) Regulations 2001 (S.I. 2001/3335).

regulations 8(m)(ii), 8(n) 8(o), 9(k) and 9(l)

General provision on searches and search reports

PART 1

All search reports (other than official search certificate of the local land charges register)

General requirements

1. A search report complying with this Schedule must contain the following information—
 - (a) the address of the premises in respect of which the search is conducted;
 - (b) a statement of whether the following persons have, or are likely to have, any personal or business relationship with any person involved in the sale of the property—
 - (i) a person who conducted the search; and
 - (ii) a person who prepared the search report;

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

- (c) subject to Schedules 9 and 10, such enquiries as formed the basis of the search and the information sought;
- (d) subject to paragraph 3 of this Schedule, the results of the search;
- (e) the date the search was completed;
- (f) a description of the records searched, and who they are held by;
- (g) if the records searched are derived from other records, a description of those other records and whom those other records are held by;
- (h) a description of how relevant documents can be obtained (if they are not included in the home information pack);
- (i) the names and addresses of the parties to the arrangements—
 - (i) under which the search was conducted; and
 - (ii) if different, under which the search report was prepared;
- (j) the name of the persons liable in each of the following events—
 - (i) any negligent or incorrect entry in the records searched;
 - (ii) any negligent or incorrect interpretation of the records searched; and
 - (iii) any negligent or incorrect recording of that interpretation in the search report;
- (k) a description of such complaints or redress procedures as exist in relation to the report; and
- (l) the terms on which the report is made, including—
 - (i) the terms described in paragraphs 4, 5 and 6 of this Schedule; and
 - (ii) the names of the persons who are liable to make the payments described in paragraph 6(b) and 6(c) of this Schedule.

Additional search information

2. A search report complying with this Schedule may contain or be accompanied by documents containing all or any of the following information—

- (a) information which identifies the search or the search report;
- (b) information which explains the results of the search, the search report or the enquiries or matters to which the results of the search relate; and
- (c) information which identifies services or features local to the property, but not including any advertising or marketing information about them.

Unavailable search results

3. The results of the search included in a search report under paragraph 1(d) of this Schedule must not fail to answer such enquiries as formed the basis of the search, nor fail to give the information originally sought, unless—

- (a) a record from which the answer or result could be deduced is not held by or obtainable under any circumstances from—
 - (i) a local authority in the case of a search report required by regulation 8(m)(ii) or 8(n), or authorised by regulation 9(k)(i); or
 - (ii) any person in the case of any other search report, and
- (b) a statement is also included in the search report indicating—
 - (i) that a particular result is not included; and
 - (ii) the reason under sub-paragraph (a) for failing to include the result.

PART 2

Specific required search reports

Terms for the preparation of required searches

4. Any person may prepare a report required by regulation 8(m)(ii), 8(n) or 8(o), but must do so on the following terms without exclusion or limitation—

- (a) that the search report will be prepared with reasonable care and skill; and
- (b) that a responsible person may copy or issue a copy of the report for the purposes of complying with any of the following provisions—
 - (i) regulations 5, 6, 8(m)(ii), 8(n), 8(o) and 21; and
 - (ii) section 156(1), (2) and (11) of the 2004 Act.

Third party contractual rights in relation to search reports

5. The person preparing a search report required by regulation 8(m)(ii), 8(n) or 8(o) must do so on terms enabling the provisions of the contract under which the report is prepared—

- (a) to be enforced in relation to the terms mentioned in paragraph 4 of this Schedule, by—
 - (i) the seller;
 - (ii) a potential or actual buyer of the property interest; and
 - (iii) a mortgage lender in respect of the property interest; and
- (b) to be enforced by such persons in their own right, whether or not they are a party to such a contract.

Insurance cover for third party contractual rights

6. The person preparing the search reports required by regulation 8(n) or 8(o) must do so on terms ensuring that—

- (a) any liability of any type arising under paragraph 5 of this Schedule is the subject of a contract of insurance against such risk effected by, and to be carried out by persons so authorised for the purposes of the Financial Services and Markets Act 2000;
- (b) any liability for financial loss arising under paragraph 5 of this Schedule will be met by financial compensation to be paid by a person (other than the persons described in paragraph 5(a)(i) to (iii) of this Schedule) who is—
 - (i) a party to the contract of insurance; or
 - (ii) another person involved in the sale of the property; and
- (c) such financial compensation is paid by a person mentioned in sub-paragraph (a), if any person mentioned in sub-paragraph (b) fails to pay it (or no longer exists and has no successor).

Permitted limit on liability for financial loss

7. The amount of the financial compensation referred to in paragraph 6(b) of this Schedule may be limited to the amount the potential or actual buyer reasonably believed to be the value of the property interest—

- (a) at the time the search report was completed; and
- (b) as used for residential purposes.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

Inclusion of additional or more favourable terms for required search reports

8. A person may prepare the search reports required by regulation 8(m)(ii), 8(n) or 8(o) on any of the following terms—

- (a) terms additional to those described in paragraphs 4, 5 and 6 of this Schedule (without excluding or limiting them); and
- (b) terms more favourable to—
 - (i) the seller;
 - (ii) a potential or actual buyer of the property interest; or
 - (iii) a mortgage lender in respect of the property interest,than those described in paragraphs 4, 5 and 6 of this Schedule.

Less favourable terms

9. Any search report which contains terms less favourable to—

- (a) the seller;
- (b) a potential or actual buyer of the property interest; or
- (c) a mortgage lender in respect of the property interest,

than those required by this Part of this Schedule does not comply with the requirements of this Schedule.

Required searches by another name

10. Paragraph 4 of this Schedule applies to pack documents which contain the enquiries required (or enquiries to like effect) to be contained in a search report which would be included under regulation 8(m)(ii), 8(n) or 8(o), regardless of whether one or more of the following has occurred—

- (a) they are included under regulation 9(k), Schedule 11 or another provision of these Regulations; or
- (b) they are described as a local land charges search, local enquiries or drainage and water enquiries, or given similar descriptions.

PART 3

Authorised search reports

Terms for the preparation of authorised search reports

11. The search reports authorised by regulation 9(k) and 9(l) may be made on any terms, which, in particular, may include the terms described in Parts 1 and 2 of this Schedule.

SCHEDULE 9

(46) To which there are various amendments made by section 101(1) of and Schedule 8 to the Water Act 2003.

(47) Section 199 was amended by section 97(1) and (8) of the Water Act 2003.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

“water supplier” means the company supplying water in the water supply zone, whether a water undertaker or licensed water supplier;

“water supply zone” means the names and areas designated by a water undertaker within its area of supply that are to be its water supply zones for that year; and

“water undertaker” means the company appointed to be the water undertaker under section 6(1) of the 1991 Act for the area in which the property is or will be situated.

(2) In this Schedule, references to a pipe, including references to a main, a drain or a sewer, shall include references to a tunnel or conduit which serves or is to serve as the pipe in question and to any accessories for the pipe.

Enquiries and responses

2.—(1) The search report required by regulation 8(o) must contain—

- (a) the enquiries set out in sub-paragraph (1) of each paragraph of Part 2 of this Schedule; and
- (b) in relation to each such enquiry, a response set out in sub-paragraph (2) of each such paragraph, which must be the appropriate response in respect of the property.

(2) Where sub-paragraph (2) of each such paragraph includes alternative responses, only one of those responses may be the appropriate response.

(3) Where the search report is made using a document which reproduces all of the enquiries and responses set out in Part 2 of this Schedule, the person preparing the report must delete or strike out such of those responses as are not appropriate.

(4) Where a response set out in sub-paragraph (2) of each paragraph of Part 2 of this Schedule—

- (a) includes words highlighted in italics which request the giving of information about specified matters—
 - (i) the appropriate response or the search report must include the information to which those matters refer; and
 - (ii) where information is so included and the search report is made using a document which reproduces that response, the person preparing the report may delete or strike out the words in italics; and

(b) refers to an additional document being included, that document must accompany the search report required by regulation 8(o).

PART 2

Enquiries and responses

Public sewer map

3.—(1) Where relevant, please include a copy of an extract from the public sewer map.

- (a) (2) (a) A copy of an extract from the public sewer map is included in which the location of the property is identified;
- (b) A copy of an extract of the public sewer map is included, showing the public sewers, disposal mains and lateral drains in the vicinity of the property; or
- (c) No map is included, as there are no public sewers in the vicinity of the property.

Foul water

- 4.—(1) Does foul water from the property drain to a public sewer?
- (a) (2) (a) Records indicate that foul water from the property drains to a public sewer;
 - (b) Records indicate that foul water from the property does not drain to a public sewer; or
 - (c) This enquiry appears to relate to a plot of land or a recently built property. It is recommended that drainage proposals are checked with the developer.

Surface water

- 5.—(1) Does surface water from the property drain to a public sewer?
- (a) (2) (a) Records indicate that surface water from the property does drain to a public sewer;
 - (b) Records indicate that surface water from the property does not drain to a public sewer; or
 - (c) This enquiry appears to relate to a plot of land or a recently built property. It is recommended that drainage proposals are checked with the developer.

Public adoption of sewers and lateral drains

- 6.—(1) Are any sewers or lateral drains serving or which are proposed to serve the property the subject of an existing adoption agreement or an application for such an agreement?
- (a) (2) (a) Records indicate that in relation to sewers and lateral drains serving the development of which the property forms part—
 - (i) an adoption agreement is currently in preparation;
 - (ii) an adoption agreement exists and the sewers and lateral drains are not yet vested in the sewerage undertaker, although the maintenance period has commenced;
 - (iii) an adoption agreement exists and the sewers and lateral drains are not yet vested in the sewerage undertaker and the maintenance period has not yet commenced;
 - (iv) an adoption agreement exists and is supported by a bond;
 - (v) an adoption agreement exists and is the subject of a bond waiver; or
 - (vi) an adoption agreement exists and is not supported by a bond or by a bond waiver; or
 - (b) Records confirm that sewers serving the development, of which the property forms part are not the subject of an existing adoption agreement or an application for such an agreement; or
 - (c) The property is part of an established development and is not subject to an adoption agreement.

Public sewers within the boundaries of the property

- 7.—(1) Does the public sewer map indicate any public sewer, disposal main or lateral drain within the boundaries of the property?
- (a) (2) (a) The public sewer map included indicates that there is a public sewer, disposal main or lateral drain within the boundaries of the property;
 - (b) The public sewer map indicates that there are private sewers or lateral drains subject to an existing adoption agreement within the boundaries of the property; or
 - (c) The public sewer map indicates that there are no public sewers, disposal mains or lateral drains within the boundaries of the property. However, it has not always been a requirement for such public sewers, disposal mains or lateral drains to be recorded on the public sewer

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

map. It is therefore possible for unidentified sewers, disposal mains or lateral drains to exist within the boundaries of the property.

Public sewers near to the property

8.—(1) Does the public sewer map indicate any public sewer within 30.48 metres (100 feet) of any buildings within the property?

- (a) (2) (a) The public sewer map included indicates that there is a public sewer within 30.48 metres (100 feet) of a building within the property;
- (b) The public sewer map indicates that there is a public sewer or lateral drain subject to an existing adoption agreement within 30.48 metres (100 feet) of a building within the property; or
- (c) The public sewer map indicates that there are no public sewers within 30.48 metres (100 feet) of a building within the property. However, it has not always been a requirement for such public sewers to be recorded on the public sewer map. It is therefore possible for unidentified sewers or public sewers to exist within the boundaries of the property.

Building over a public sewer, disposal main or drain

9.—(1) Has a sewerage undertaker approved or been consulted about any plans to erect a building or extension on the property over or in the vicinity of a public sewer, disposal main or drain?

- (a) (2) (a) Records indicate that a sewerage undertaker has approved or has been consulted about plans to erect a building or extension on the property over or in the vicinity of a public sewer, disposal main or drain;
- (b) Records indicate that a sewerage undertaker has rejected plans to erect a building or extension on the property over or in the vicinity of a public sewer, disposal main or drain; or
- (c) There are no records in relation to any approval or consultation about plans to erect a building or extension on the property over or in the vicinity of a public sewer, disposal main or drain. However, the sewerage undertaker might not be aware of a building or extension on the property over or in the vicinity of a public sewer, disposal main or drain.

Map of waterworks

10.—(1) Where relevant, please include a copy of an extract from the map of waterworks.

- (a) (2) (a) A copy of an extract from the map of waterworks is included in which the location of the property is identified;
- (b) A copy of an extract of the map of waterworks is included, showing water mains, resource mains or discharge pipes in the vicinity of the property; or
- (c) No map is included, as there are no water mains, resource mains or discharge pipes in the vicinity of the property.

Adoption of water mains and service pipes

11.—(1) Is any water main or service pipe serving or which is proposed to serve the property the subject of an existing adoption agreement or an application for such an agreement?

- (a) (2) (a) Records confirm that in relation to water mains and service pipes serving the development, of which the property forms part—
 - (i) an adoption agreement is currently in preparation;

- (ii) an adoption agreement exists and the water mains or service pipes are not yet vested in the water undertaker;
 - (iii) an adoption agreement exists and is supported by a bond; or
 - (iv) an adoption agreement exists and is not supported by a bond; or
- (b) Records confirm that water mains or service pipes serving the property are not the subject of an existing adoption agreement or an application for such an agreement.

Sewerage and water undertakers

12.—(1) Who are the sewerage and water undertakers for the area?

(2) *Give company name and address* is the sewerage undertaker for the area, and *give company name and address* is the water undertaker for the area.

Connection to mains water supply

13.—(1) Is the property connected to mains water supply?

- (a) (2) (a) Records indicate that the property is connected to mains water supply;
- (b) Records indicate that the property is not connected to mains water supply and water is therefore likely to be provided by virtue of a private supply; or
- (c) This enquiry relates to a plot of land or a recently built property. It is recommended that the water supply proposals are checked with the developer.

Water mains, resource mains or discharge pipes

14.—(1) Are there any water mains, resource mains or discharge pipes within the boundaries of the property?

- (a) (2) (a) The map of waterworks indicates that there are water mains, resource mains or discharge pipes within the boundaries of the property;
- (b) The map of waterworks does not indicate any water mains, resource mains or discharge pipes within the boundaries of the property; or
- (c) The map of waterworks indicates that there is a water main subject to an existing adoption agreement within the boundaries of the property.

Current basis for sewerage and water charges

15.—(1) What is the current basis for charging for sewerage and water services at the property?

- (a) (2) (a) The charges are based on actual volumes of water measured through a water meter (“metered supply”);
- (b) The charges are based on the rateable value of the property of £ *give rateable value* and the charge for the current financial year is £ *give amount of charge*;
- (c) The charges are made on a basis other than rateable value or metered supply. They are based on *give basis for charges* and are £ *give amount of charge* for each financial year.
- (d) Records indicate that this enquiry relates to a plot of land or a recently built property.

Charges following change of occupation

16.—(1) Will the basis for charging for sewerage and water services at the property change as a consequence of a change of occupation?

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

- (a) (2) (a) The basis for the charges will change and will be based on an unmeasured supply;
- (b) The basis for the charges will change and will be based on a metered supply;
- (c) The basis for the charges will change and will be based on *give basis for charges*;
- (d) The basis for the charges will change and will be based on rateable value;
- (e) There will be no change in the current charging arrangements as a consequence of a change of occupation; or
- (f) Records indicate that this enquiry relates to a plot of land or a recently built property. It is recommended that the charging proposals are checked with the developer.

Surface water drainage charges

17.—(1) Is a surface water drainage charge payable?

- (a) (2) (a) Records confirm that a surface water drainage charge is payable for the property at £ *give level of charge* for each financial year; or
- (b) Records confirm that a surface water drainage charge is not payable for the property.

Water meters

18.—(1) Please include details of the location of any water meter serving the property.

- (a) (2) (a) Records indicate that the property is not served by a water meter; or
- (b) Records indicate that the property is served by a water meter, which is located—
 - (i) within the dwelling-house which is or forms part of the property, and in particular is located at *give details of location*; or
 - (ii) is not within the dwelling-house which is or forms part of the property, and in particular is located at *give details of location*.

Sewerage bills

19.—(1) Who bills the property for sewerage services?

- (a) (2) (a) The property is billed for sewerage services by *give company name, billing address, enquiry telephone number and website address*; or
- (b) The property is not billed for sewerage services.

Water bills

20.—(1) Who bills the property for water services?

- (a) (2) (a) The property is billed for water services by *give company name, billing address, enquiry telephone number and website address*; or
- (b) The property is not billed for water services.

Risk of flooding due to overloaded public sewers

21.—(1) Is the dwelling-house which is or forms part of the property at risk of internal flooding due to overloaded public sewers?

- (a) (2) (a) Records confirm that the property is at risk of internal flooding due to overloaded public sewers (following an actual flooding event or otherwise) and a report is included describing—

- (i) this and the action proposed by the sewerage undertaker to remove the risk;
 - (ii) who will undertake this action and when; and
 - (iii) whether mitigation measures have been installed to reduce the risk of flooding to the property;
- (b) An investigation is currently being carried out by the sewerage undertaker to determine if the property should be recorded on a register as being at risk of internal flooding due to overloaded public sewers, and a report is included describing—
- (i) the action proposed by the water undertaker to remove the risk; and
 - (ii) who will undertake the action and when; or
- (c) The property is not recorded as being at risk of internal flooding due to overloaded public sewers.

Risk of low water pressure or flow

22.—(1) Is the property at risk of receiving low water pressure or flow?

- (a) (2) (a) Records confirm that the property is recorded on a register kept by the water undertaker as being at risk of receiving low water pressure or flow, and a report is included describing—
- (i) the action proposed by the water undertaker to remove the risk; and
 - (ii) who will undertake the action and when;
- (b) An investigation is currently being carried out by the water undertaker to determine if the property should be recorded on a register as being at risk of receiving low water pressure or flow, and a report is included describing—
- (i) the action proposed by the water undertaker to remove the risk; and
 - (ii) who will undertake the action and when; or
- (c) Records confirm that the property is not recorded on a register kept by the water undertaker as being at risk of receiving low water pressure or flow.

Water quality analysis

23.—(1) Please include details of a water quality analysis made by the water undertaker for the water supply zone in respect of the most recent calendar year.

- (a) (2) (a) The analysis confirmed that all tests met the standards prescribed by the 2000 Regulations or the 2001 Regulations; or
- (b) The analysis confirmed that tests met the standards prescribed by the 2000 Regulations or the 2001 Regulations, except that *give number* tests of *give total number* tests failed to meet the standard for nitrate;
- (c) The analysis confirmed that tests met the standards prescribed by the 2000 Regulations or the 2001 Regulations, except that *give number* tests of *give total number* tests failed to meet the standard for lead;
- (d) The analysis confirmed that tests failed to meet the standards of the 2000 Regulations or the 2001 Regulations in relation to both nitrate and lead, and these are *give further details of such tests*; or
- (e) The analysis records confirmed that tests failed to meet the standards of the 2000 Regulations or the 2001 Regulations in relation to another substance or substances, and these are *include further details*.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

Authorised departures from water quality standards

24.—(1) Please include details of any departures—

- (a) authorised by the Secretary of State under Part 6 of the 2000 Regulations from the provisions of Part 3 of those Regulations; or
 - (b) authorised by the National Assembly for Wales under Part 6 of the 2001 Regulations from the provisions of Part 3 of those Regulations.
- (a) (2) (a) There are no such authorised departures for the water supply zone; or
- (b) The Secretary of State or the National Assembly for Wales has authorised a departure from the standards prescribed by the 2000 Regulations or the 2001 Regulations, in the water supply zone, and—
- (i) the departure permits the water undertaker or water supplier to supply water that does not meet the standard for *give substance* whilst remedial action to restore normal water quality is taken;
 - (ii) the maximum permitted departure is up to *give number* micrograms per litre; and
 - (iii) the measures taken to restore normal water quality are due to be completed by *give approximate month and year*.

Sewage treatment works

25.—(1) Please confirm the distance from the property to the nearest boundary of the nearest sewage treatment works.

(2) The nearest sewage treatment works is *give distance in kilometres or miles* to the *give direction* of the property. The name of the nearest sewage treatment works is *give name*.
